Brief Applicant Entity Questionnaire

The Office of Justice Programs (OJP) is collecting the following information to help assess its efforts to attract a broader range of applicants. These questions apply to the applicant entity and its work and scope only, and not to the specific project(s) being proposed within the application. Responses to the following questions will not be considered in the application review process. We thank you for taking the time to complete this brief questionnaire.

Following are screen images of the questions in JustGrants, to familiarize users with the web-based questionnaire.
