BASIC INFORMATION

The [U.S. Department of Justice](#) (DOJ), [Office of Justice Programs](#) (OJP), [Office of Juvenile Justice and Delinquency Prevention](#) (OJJDP) is accepting applications for funding in response to this notice of funding opportunity (NOFO).

Agency Name	U.S. Department of Justice Office of Justice Programs Office of Juvenile Justice and Delinquency Prevention (OJJDP)
NOFO Title	OJJDP FY25 Family Treatment Court Program
Announcement Type	Initial
Funding Opportunity Number	O-OJJDP-2025-172515
Assistance Listing Number	16.838

Executive Summary

This NOFO will support state and local courts, units of local government, and federally recognized Tribal governments to establish new, enhance existing, or implement statewide or countywide family treatment courts to ensure the provision of substance use treatment and other services that improve child, parent, and family outcomes. Family treatment court grantees will provide services that address the entire family's needs, including direct services to children of parents served in this program. Applicant proposals must specifically include the provision of treatment, recovery, and other support services that address opioid, stimulant, and other substance use reduction.

- Category 1: Establishing New Family Treatment Courts (Anticipated Award Amount: \$750,000)**

Category 1 will support the implementation of new family treatment courts to provide parental Substance Use Disorder (SUD) treatment services, including screening, assessment, case management, recovery support services, and program coordination to family treatment court participants.
- Category 2: Enhancing Family Treatment Courts (Anticipated Award Amount: \$850,000)**

Category 2 will support the expansion of parental SUD treatment services in existing family treatment courts.
- Category 3: Statewide or Countywide Family Treatment Courts Expansion (Anticipated Award Amount: \$2,000,000)**

Category 3 will support the enhancement and/or expansion of family treatment courts at the state, county, or other jurisdictional level to effectively serve families affected by opioid, stimulant, and other SUDs. States and counties will increase access to and/or availability of SUD treatment and recovery services across their state or county and develop and implement practices and policies that strengthen existing family treatment courts, child welfare, SUD treatment service systems, and community-based

organizations that serve and support children and families. This will be achieved through strengthened cross-systems collaboration; expansion of family treatment court practices into the larger state or county child welfare, SUD treatment, and court systems; and increasing the scale and scope of services provided by family treatment courts across the state or county.

ELIGIBILITY

Eligible Applicants

The types of entities that are eligible to apply for this funding opportunity are listed below:

- **Government Entities**
 - State governments
 - County governments
 - City or township governments
 - Native American Tribal governments (federally recognized)

Category 1: Establishing New Family Treatment Courts grants are available to jurisdictions that are ready to implement a new family treatment court. These grants are for jurisdictions where either no family treatment court currently exists, or a family treatment court has been operational for less than 1 year. Jurisdictions may already have other types of drug or treatment courts (such as adult drug courts or mental health courts).

Category 2: Enhancing Family Treatment Courts grants are available to jurisdictions with a fully operational family treatment court. Courts applying for funding under Category 2 must be fully operational for at least 1 year, as funding is intended to enhance services of existing family treatment courts. OJJDP encourages applicants to partner with community service providers, if applicable and appropriate.

Category 3: Statewide or Countywide Family Treatment Courts Expansion. The following entities are eligible to apply:

- State Administrative Office of the Court, working in conjunction with and coordinating closely with the state's [Court Improvement Program](#). Applicants are required to partner with the state child welfare agency and state substance use treatment agency and must include with the application draft or fully executed letters of intent or memorandum of understanding or agreement (MOU/MOA) formalizing these partnerships.
- Eligible county applicants are limited to the county superior court (or similar authority) or judicial districts with populations at or above 1 million. Applicants are required to partner with the county child welfare agency and county substance use treatment agency and must include with the application draft or fully executed letters of intent or memorandum of understanding or agreement (MOU/MOA) formalizing these partnerships.

State Government Entities: For the purposes of this NOFO, “state” means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

Limit on Number of Applications

An applicant may submit more than one application if each application proposes a different project in response to the NOFO.

Applications under which two or more entities (project partners) would carry out the federal award will be considered. However, only one entity may be the applicant for the NOFO; any others must be proposed as subrecipients. See the [Application Resource Guide](#) for additional information on subawards.

An entity may be proposed as a subrecipient in more than one application.

Cost Sharing/Match Requirement

This NOFO requires cost sharing/match.

Please see [Program Description: Cost Sharing/Match Requirement](#) for details on the match calculation and what types of contributions are acceptable.

PROGRAM DESCRIPTION

General Purpose of the Funding

This NOFO will support state and local courts, units of local government, and federally recognized Tribal governments to establish new, enhance existing, or implement statewide or countywide family treatment courts to ensure the provision of substance use treatment and other services that improve child, parent, and family outcomes. Family treatment courts serve parents who require treatment for a substance use disorder and who are involved with the child welfare system because of child abuse, neglect, or other parenting issues. Family treatment courts provide intensive judicial monitoring and interventions to treat parents' substance use and/or co-occurring mental health disorders.

Family treatment court grantees will provide services that address the entire family's needs, including direct services to children of parents served in this program. Applicant proposals must specifically include the provision of treatment, recovery, and other support services that address opioid, stimulant, and other substance use reduction. Applicants must specify plans for obtaining necessary support for their family treatment court and continuing the proposed program following the conclusion of federal support in the grant period.

Any court that receives funds under this program may not permit participation by any individual who is charged with or has committed a violent offense.¹ Funding will be immediately suspended if DOJ determines that an individual who is charged with or has committed a violent offense is participating in any program funded under this funding opportunity.

To summarize, individuals who have been imprisoned for over a year due to a conviction involving a firearm or dangerous weapon resulting in death or serious (bodily) injury to another person, or those who have committed a felony involving the use of force on another person, are not eligible to participate in this program.

The family treatment court should collaborate with entities (e.g., courts, programs, and partners) in structuring the participants' treatment under this program with any participant with pending criminal cases, supervised by probation, or participating in diversion programming. Family treatment courts must meet 34 U.S.C. 10611(a) requirements. The requirements include:

- Continuing judicial supervision over individuals under the jurisdiction of the court with substance abuse conditions, including individuals with co-occurring substance abuse and mental health conditions, who are not individuals who are charged with or have committed a violent offense.
- Coordination with the appropriate state or local prosecutor and the applicable agency attorney (i.e., child welfare agency).

The integrated administration of treatment adjustments, complementary service modifications, or therapeutic measures, which shall include:

¹ See 34 U.S.C. 10613(a) and 34 U.S.C. 10613(b).

- Mandatory periodic testing for the use of controlled substances or other addictive substances during any period of supervised release or probation for each participant.
- Substance abuse treatment for each participant.
- Diversion, probation, or other supervised release based on noncompliance with program requirements or failure to show satisfactory progress.
- Participant management and aftercare services such as relapse prevention, healthcare, education, vocational training, job placement, housing placement, and childcare or other family support services for each participant who requires such services.
- Payment, in whole or in part, by the participant, of restitution, to the extent practicable, to either a victim of the participant's offense or to a restitution or similar victim support fund.

Although the authorizing statute requires participant payments for treatment and restitution (see above), the statute does not allow imposing a fee on a client participant at a level that would interfere with the client's participant's recovery. Applicants should include in their application provisions for determining if these costs would interfere with a client's participant's rehabilitation recovery or graduation.

Consistent with the authorizing statute, 34 U.S.C. 10611(c), family treatment court programs must require mandatory periodic drug testing that is accurate and practicable. Each participant must be tested for every controlled substance that the participant has been known to abuse and for any that the court may require. The courts must impose treatment adjustments, complementary service modifications, therapeutic measures, or whenever a participant fails a drug test. Such adjustments/modifications and measures may include but are not limited to one or more of the following:

- Detoxification treatment
- Residential treatment
- Increased drug screening requirements
- Increased time in the program
- Increased court appearances
- Increased counseling
- Increased supervision
- Termination from the program
- Electronic monitoring
- In-home restriction
- Community service
- Family counseling
- Anger management classes

Furthermore, family treatment courts must also meet the following requirements:

1. Provide a long-term strategy and detailed implementation plan that shall provide for the consultation and coordination with appropriate state and local prosecutors, particularly when program participants fail to comply with program requirements.
2. Explain the inability to fund the program adequately without federal assistance.
3. Certify that the federal support provided will be used to supplement, and not supplant, state, Indian Tribal, and local sources of funding that would otherwise be available.
4. Identify related governmental or community initiatives that complement or will be coordinated with the proposal.

This notice of funding opportunity offers three categories for family treatment courts. Applicants must clearly designate the category for which they are applying.

Applicants should refer to [Application Contents, Submission Requirements, and Deadlines: Budget Detail Form](#) for information on allowable and unallowable costs that may inform the development of their project design.

Agency Funding Priorities

In order to advance public safety and help meet its mission, OJP will provide priority consideration to applicants that propose (as applicable within the scope of this funding opportunity) projects designed to advance the goals listed below. Applicants seeking priority consideration should specify in the proposal narrative (and in the budget detail form, if applicable) which of the following goal(s) the project is intended to advance and how it will do so:

- (a) Directly supporting law enforcement operations (including immigration law enforcement operations);
- (b) Combatting violent crime;
- (c) Supporting services to American citizens;
- (d) Protecting American children; and
- (e) Supporting American victims of trafficking and sexual assault.

In addition to the Agency priorities listed above, priority consideration will be given under this NOFO to applicants in states and units of local government that actively meet the below criteria, to the maximum extent permitted by law:

- (i) enforce prohibitions on open illicit drug use;
- (ii) enforce prohibitions on urban camping and loitering;
- (iii) enforce prohibitions on urban squatting;
- (iv) enforce, and where necessary, adopt, standards that address individuals who are a danger to themselves or others and suffer from serious mental illness or substance use disorder, or who are living on the streets and cannot care for themselves, through assisted outpatient treatment or by moving them into treatment centers or other appropriate facilities via civil commitment or other available means, to the maximum extent permitted by law; or
- (v) for state applicants, substantially implement and comply with, to the extent required, the registration and notification obligations of the Sex Offender Registry and Notification Act, particularly in the case of registered sex offenders with no fixed address, including by adequately mapping and checking the location of homeless sex offenders.

Applicants seeking this additional priority consideration, should complete the Agency Funding Priorities Inventory – Ending Crime and Disorder in JustGrants to indicate which criteria they are actively meeting.

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee a funding award.

Unallowable Uses of Funds

The following are certain unallowable costs and certain activities that are out of the program scope and will not be funded.

1. Out of program scope is any program or activity, at any tier that, directly or indirectly, violates (or promotes or facilitates the violation of) federal immigration law (including 8 U.S.C. § 1373) or impedes or hinders the enforcement of federal immigration law—including by failing to comply with 8 U.S.C. § 1373, give access to DHS agents, or honor DHS requests and provide requested notice to DHS agents.
2. Out of program scope is any program or activity, at any tier that violates any applicable Federal civil rights or nondiscrimination law. This includes violations that – (1) indirectly violate the law, including by promoting or facilitating violations; or (2) unlawfully favor individuals in any race or protected group, including on a majority or minority, or privileged or unprivileged, basis, within a given area, population, or sector.
3. As specified in the [DOJ Grants Financial Guide](#), in Chapter 3.13 “Unallowable Costs” (“Legal Services for Aliens”), any obligations of funds, at any tier, under this award to provide (or to support the provision of) legal services to any removable alien or any alien otherwise unlawfully present in the United States shall be unallowable costs for purposes any award made under this notice, but the foregoing shall not be understood to apply— (1) to legal services to obtain protection orders for victims of crime; or (2) to immigration-related legal services that may be expressly authorized or required by any law, or any judicial ruling, governing or applicable to the award.

Program Goals and Objectives

Goal 1: Establish new, enhance existing, or implement statewide or countywide family treatment courts to more effectively address the needs of parents, children, and families impacted by a substance use and/or a co-occurring mental health disorder who are involved in the child welfare system because of child abuse and neglect or other parenting issues.

Objective 1: Provide treatment to parents with substance use and /or co-occurring mental health disorders by offering access to treatment and recovery services that will protect children, reunite families when it is safe to do so, strengthen the parental-child relationship, and expedite permanency.

Objective 2: Provide treatment to parents who are specifically impacted by opioid, stimulant, and other substance use disorders.

Goal 2: Develop or enhance cross-system coordination and community collaboration for family treatment court-involved families.

Objective 1: Develop coordinated programming to support the entire family using a cross-system approach that includes families and youth with lived expertise, criminal

justice agencies, social services organizations, treatment providers, child protective agencies, community health agencies, and community-based organizations.

How Awards Will Contribute to Program Goals/Objectives

OJP anticipates that award recipients will increase family stability, strengthen positive parental attachment, support healthy child development, and create programs that effectively address parents' substance use and co-occurring mental health disorder needs. These efforts aim to protect children, reduce the likelihood of future justice system or child welfare involvement, and address the reasons why families become system-involved by implementing coordinated approaches to treatment and recovery services for parents.

Category 1: Establishing New Family Treatment Courts and Category 2: Enhancing Family Treatment Courts.

- Programs funded under Category 1 are expected to implement new family treatment courts to provide parental substance use disorder (SUD) treatment services, including screening, assessment, case management, recovery support services, and program coordination to family treatment court participants.
- Programs funded under Category 2 are expected to expand parental SUD treatment services to their participants, as mentioned above, in existing family treatment courts.

Category 3: Statewide or Countywide Family Treatment Courts Expansion.

- Programs funded under Category 3 are expected to enhance and/or expand family treatment courts at the more populous state, county, or other jurisdictional level to effectively serve families affected by opioid, stimulant, and other SUDs.
- States and counties will increase access to and/or availability of SUD treatment and recovery services across their state or county and develop and implement practices and policies that strengthen existing family treatment courts, child welfare, SUD treatment service systems, and community-based organizations that serve and support children and families. This will be achieved through strengthened cross-systems collaboration; expansion of family treatment court practices into the larger state or county child welfare, SUD treatment, and court systems; and increasing the scale and scope of services provided by family treatment courts across the state or county.
- Selected applicants under Category 3 are expected to:
 - Complete a needs assessment to assess state or county capacity to implement family treatment court best practices and principles in wider state or county systems, as well as identify strengths and gaps in current knowledge and practices.
 - Implement proposed enhancements over 3 years with a clear plan of action that also addresses any needs identified in the self-assessment.
 - Develop and/or strengthen state- and local-level information-sharing, evaluation, and performance monitoring capacity to track client progress and cost savings across systems/agencies.

All Categories. Successful applicants under Categories 1, 2, and 3 will be expected to provide a coordinated, multisystem approach that combines the oversight authority of family treatment courts with evidence-based interventions that focus on parental SUD treatment and recovery, parenting, child and parent trauma, and parent-child relationships.

Expected Outcomes: Deliverables and Performance Measures

To achieve the goals and objectives of this funding opportunity, OJP has identified expected deliverables that must be produced by a recipient. OJP has also identified performance measures (pieces of data) that will indicate how a recipient is achieving the performance goals and objectives previously identified. Recipients will need to collect and report this performance measure data to OJP.

OJP will measure success by reviewing a recipient's submission of performance reports and data and the extent to which project implementation reflects progress toward the goals and objectives of this NOFO.

Deliverables

Recipients under this funding opportunity will not submit any deliverables beyond the standard [Post-Award Requirements and Administration](#).

Performance Measures

OJP will require each award recipient to submit regular performance reports that communicate progress toward achieving the goals and objectives identified in [Program Goals and Objectives](#). Applicants can visit [OJP's performance measurement page](#) at ojp.gov/performance for more information on performance measurement activities.

A list of performance measure questions for this funding opportunity can be found [here](#). OJJDP will provide further guidance on performance measures and the post-award submission process to successful awardees.

Funding Instrument

Categories 1 and 2: Establishing New & Enhancing Family Treatment Courts. OJP expects to make awards under these funding opportunity categories as grants. See the "[Administrative, National Policy, and Other Legal Requirements](#)" section of the [Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions.

Category 3: Statewide or Countywide Family Treatment Courts Expansion. OJP expects to make awards under this funding opportunity category as cooperative agreements, which allow OJP to have substantial involvement in carrying out award activities. See the "[Administrative, National Policy, and Other Legal Requirements](#)" section of the [Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions.

Cost Sharing/Match Requirements

All Categories: This funding opportunity requires cost sharing or match from the award recipient. "Match" means the portion of project costs not paid by federal funds or contributions (e.g., staff time not charged to the federal share of the budget, supplies provided by the recipient). Items provided as part of the match must support the fulfillment of proposed activities, be allowable costs under this funding opportunity, and have documentation of their value. The match may not be used for, and may not consist of, costs that are unallowable for this funding

opportunity. See [Application Contents, Submission Requirements, and Deadlines: Budget Detail Form](#) for more details on this funding opportunity's unallowable costs.

Recipients must satisfy this match requirement with cash and/or in-kind contributions. "In-kind" contributions may be in the form of services, supplies, real property (e.g., office space), and/or equipment.

Explanation of the Calculation

This NOFO requires a 25% match based on the total project costs. Federal funds awarded under this NOFO may not cover more than 75% of the total costs of the project being funded. The applicant must cover at least 25% of the total project costs.

If an award recipient's proposed match is more than the required match amount and OJP approves the proposed budget, then that total match amount becomes part of the project budget, which is subject to audit.

How To Calculate Match

Formula					
Step 1	Award Amount	÷	% of Federal Share	=	Total (Adjusted) Project Cost
Step 2	Total (Adjusted) Project Cost	x	% of Recipient Share	=	Required Match
Example					
Match Requirement: 75/25 (Federal Share/Recipient Share)					
Federal Award Amount: \$100,000					
Step 1	\$100,000	÷	75% Federal Share	=	\$133,333
Step 2	\$133,333	x	25% Recipient Share	=	\$33,333

See the [Application Resource Guide](#) for additional information on this match requirement and step-by-step instructions for entering match amounts in the budget.

APPLICATION CONTENTS, SUBMISSION REQUIREMENTS, AND DEADLINES

This NOFO contains all the information needed to apply for this funding opportunity. The application for this funding opportunity is submitted through web-based forms and attachments in Grants.gov and JustGrants through the steps that follow.

Unique Entity Identifier (UEI) and SAM.gov Registration

To submit an application, an applicant must have an active registration in the [System for Award Management \(SAM.gov\)](#). SAM.gov assigns entities a unique entity identifier (UEI) that is required for the entity to apply for federal funding. Applicants will enter their UEI with their application. Award recipients must then maintain an active UEI for the duration of their award's period of performance.

First-time Registration: Entities registering in SAM.gov for the first time will submit information about their entity type and structure, financial information (such as dates of the fiscal year, banking information, and executive compensation), entity points of contact, and other information. The information is reviewed and verified by SAM.gov, and then a UEI is issued. This process may take several weeks, so entities considering applying for funding should begin the registration process as soon as possible.

Renewing an Existing Registration: Entities must renew their SAM.gov registration every 12 months to keep it active. If an entity does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent the submission of an application for funding in Grants.gov and JustGrants.

Applicants are encouraged to start the SAM.gov registration or renewal process **at least 30 days prior to the application's Grants.gov deadline**. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not be able to complete the process in time and will not be considered for a technical waiver that allows for late submission.

Submission Instructions: Summary

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants. See [Basic Information: Key Dates and Times](#) for the Grants.gov and JustGrants application deadlines.

- **Step 1:** The applicant must submit the required [Application for Federal Assistance SF-424](#) by the Grants.gov deadline.
- **Step 2:** The applicant must submit the full application, including attachments, through JustGrants by the deadline (see [JusticeGrants.usdoj.gov](#)).

Submission Step 1: Grants.gov Submission of SF-424

Access/Registration

If the applicant does not already have a Grants.gov account, they will need to register for this opportunity in Grants.gov. Applicants should follow the Grants.gov [Quick Start Guide for Applicants](#) to register, create a workspace, assign roles, submit an application, and troubleshoot issues.

Submission of the SF-424

Applicants will begin the application process in Grants.gov with the submission of the SF-424, which collects the applicant's name, address, and UEI; the funding opportunity number; and proposed project title, among other information. The SF-424 must be signed by the Grants.gov Authorized Organizational Representative for the applicant.

See the [Application Resource Guide](#) for additional information on completing the SF-424.

Section 8F – Applicant Point of Contact: Please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*i.e.*, email address) to assign the application to this user in JustGrants.

Section 19 – Intergovernmental Review: This funding opportunity is not subject to [Executive Order \(E.O.\) 12372](#) (Intergovernmental Review). Applicants should answer section 19 by selecting, "Program is not covered by E.O. 12372."

An applicant should submit the SF-424 as early as possible and recommended not later than 48 hours before the Grants.gov deadline. If an applicant fails to submit the SF-424 in Grants.gov by the deadline, they will be unable to submit their application in JustGrants.

Once the first part of the application has been successfully submitted in Grants.gov, the Grants.gov Workspace status will change from "In Progress" to "Submitted." Applicants will also receive a series of four Grants.gov email notifications. Refer to the [DOJ Application Submission Checklist](#) for additional details.

If an applicant needs to update information in the SF-424 after it is submitted in Grants.gov, they can update the information as part of their JustGrants submission (see [Application Contents, Submission Requirements, and Deadlines: Standard Applicant Information](#)). They do not need to submit an update in Grants.gov.

Submission Step 2: JustGrants Submission of Full Application Access/Registration

For first-time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from DIAMD-NoReply@usdoj.gov) to the email address listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. This email should arrive within 24 hours after confirmation from Grants.gov of the SF-424 submission.

Creating and setting up a JustGrants account consists of three steps:

1. Follow the instructions in the email to first confirm who will be the Entity Administrator (the person who manages which staff can access JustGrants on behalf of the applicant).
2. Log in to JustGrants and confirm the information in the Entity Profile.
3. Invite other individuals who will serve as the Application Submitter and the Authorized Representative for the applicant to register for JustGrants.

These steps should be completed in JustGrants as early as possible and recommended not later than 48 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Applicants can find additional information on JustGrants registration in the [DOJ Grant Application Submission Checklist](#).

Preparing for Submission

Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare, enter, and upload all the requirements of the application.

Applicants may save their application in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants. After the application deadline, no changes or additions can be made to the application. **OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline.**

For additional information, including file name and type requirements, see the “How To Apply” section in the [Application Resource Guide](#).

Standard Applicant Information

The Standard Applicant Information section of the JustGrants application is prepopulated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and can make whatever edits are needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and confirm the organization’s unique entity identifier, legal name, and address.

Proposal Abstract

A proposal abstract (no more than 2,000 characters) summarizing the proposed project must be completed in the JustGrants web-based form. The text from abstracts will be made publicly available on the OJP.gov and USASpending.gov websites if the project is awarded, so this section of the application should not contain any personally identifiable information (e.g., the name of the project director).

The abstract should be in paragraph form without bullets or tables and written in the third person (e.g., they, the community, their, themselves, rather than I or we). The abstract should include the following information:

- The name of the applicant’s proposed project.
- The purpose of the proposed project (*i.e.*, what the project will do and why it is necessary).
- Where the project will take place (*i.e.*, the service area, if applicable).
- Who will be served by the project (*i.e.*, who will be helped or have their needs addressed by the project).
- What activities will be carried out to complete the project.
- The subrecipient(s)/partner organizations or entities, if known.
- Deliverables and expected outcomes (*i.e.*, what the project will achieve).

See the [Application Resource Guide](#) for an [example](#) of a proposal abstract.

Data Requested With Application

Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High-Risk Status)

The Financial Management and System of Internal Controls Questionnaire helps OJP assess what financial management and internal control systems the applicant has in place, whether these systems would be sufficient to maintain a funding award, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based form in JustGrants. See the [Application Resource Guide: Financial Management and System of Internal Controls Questionnaire \(including Applicant Disclosure of High-Risk Status\)](#) for additional guidance on how to complete the questionnaire.

Agency Funding Priorities Inventory

Applicants seeking priority consideration under the [Agency Funding Priorities](#) section should answer the two inventory question sets, entitled Agency Funding Priorities Inventory and Agency Agency Funding Priorities Inventory – Ending Crime and Disorder (Funding Priority Inventory 3), in their entirety in the web-based form in JustGrants.

Proposal Narrative

Format of the Proposal Narrative: The Proposal Narrative will be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; have numbered pages; and should not exceed 20 pages. Tables, charts, and graphs may be included in the proposal narrative and will count toward the page limit; they may be submitted in a font smaller than 12 point, however, they may not be smaller than 10 point. If the Proposal Narrative does not comply with these restrictions, OJP may consider such noncompliance in peer review and in final award decisions.

Sections of the Proposal Narrative: The Proposal Narrative must include the four sections listed below. If the applicant seeks priority consideration, the Proposal Narrative must state which priority goal(s) the applicant's project will advance and describe how (see section, Agency Funding Priorities under Program Description).

1. Description of the Need: What critical issue or problem is the applicant proposing to address with this project? Please include:

- A brief explanation of the need, gap, or issue to be addressed by the proposed project.
- Supporting information, data, or evidence to demonstrate the need's existence, size, and impact on the target population and community.
- How the need relates to the purpose of the NOFO.

2. Project Goals and Objectives: How will the proposed project address the need identified and address the purpose of the NOFO? Please include:

- Project goals (goals are broad, visionary statements on what the applicant hopes to accomplish).
- Project objectives (objectives are specific outcomes the applicant plans to achieve through project activities).
- How the applicant's goals and objectives relate to the goals and objectives of the NOFO.

3. Project Design and Implementation: How will the applicant implement project activities that meet the goals and objectives? Please include:

- What activities the applicant will conduct to achieve the proposed goals and objectives.
- How the applicant will deliver or complete those activities.
- When the activities will take place.
- Who in the applicant's organization will staff the activities, including key staff.
- Who will participate in and benefit from the activity.
- What deliverables, reports, and other items will be produced as part of the project.
- If the applicant plans to use subrecipients to help conduct the project, please name them (if they are known) or describe how the applicant will identify them. Please describe their role in conducting project activities.

4. Capabilities and Competencies: What administrative and technical capacity and expertise does the applicant bring to successfully complete this project? Please include:

- A short description of the applicant's capacity to deliver the proposed project and meet the requirements of the award, including collecting and reporting the required performance measure data. Who will be responsible for this task, and how will the applicant collect the data? Refer to [Program Description: Performance Measures](#) for additional details on performance measures for this funding opportunity.
- A description of projects or activities the applicant organization has conducted, or is currently conducting, that demonstrate the applicant's ability to undertake the proposed project activities.
- A summary of relevant experience of team members with key responsibilities for implementing the project.

Project Evaluations: An applicant that proposes to use award funds to conduct project evaluations must follow the guidance in the "[Note on Project Evaluations](#)" section in the [Application Resource Guide](#).

Budget and Associated Documentation: Budget Detail Form

The applicant will complete the JustGrants budget detail form. The form collects the individual costs under each cost category needed to implement the proposed project. Applicants should ensure that the name/description of each cost is clear and provide the detailed calculation (e.g., cost per unit and number of units) for the total cost. Applicants should enter additional narrative, as needed, to fully describe the cost calculations and connection to the project goals and objectives (including, if applicable, describing connections to OJP priority goals).

Budget proposals should include the funding needed to implement the proposed activities. Applicants should address any corresponding budget implications in their application's budget detail and budget narrative. In preparing their budget proposals, applicants should consider what types of costs are allowable, if awarded funding. Costs are allowable when they are reasonable, allocable to, and necessary for the performance of the project funded under the federal award and when they comply with the funding statute and agency requirements, including the conditions of the award and the cost principles set out in [2 C.F.R. Part 200, Subpart E](#) and the [DOJ Grants Financial Guide](#).

- Applicants in each category should budget for one grantee meeting per year over the 4-year period. Awardees must plan to send a minimum of four people including the project director, family drug court judge/judicial officer, child welfare representative, and treatment representative. For budgetary purposes, assume that the meetings will be in the Washington, DC, area. Each meeting will be for a minimum of 2.5 days. Attendance is mandatory. If meetings are held virtually, grantees will have the opportunity to reallocate budgeted funds with the assistance of OJJDP.

Costs Associated With a Conference/Meeting/Training: An applicant that proposes to use award funds for activities related to a conference, meeting, training, or similar event should review the [Application Resource Guide](#) for information on prior approval, planning, and reporting costs for a conference/meeting/training.

Costs Associated With Language Assistance and Access: If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable in specific grant programs. Costs to provide reasonable accommodation and facilitate language access for individuals who are deaf or hard of hearing may also be allowable in specific grant programs. See the [Application Resource Guide](#) for information on costs associated with language assistance.

For additional information about how to prepare a budget for federal funding, see the [Application Resource Guide](#) section on “[Budget Preparation and Submission Information](#)” and the technical steps to complete the budget form in JustGrants in the [Complete the Application in JustGrants: Budget](#) training.

Budget and Associated Documentation: Budget/Financial Attachments

Indirect Cost Rate Agreement (if applicable): An applicant with a current, federally approved indirect cost rate agreement should upload it as an attachment in JustGrants.

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary for the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for operation and maintenance of offices or workspaces and salaries of administrative or support staff. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III–VII of 2 C.F.R. Part 200. A nonfederal applicant should follow the guidelines applicable to its type of organization. See the [DOJ Grants Financial Guide](#) and the [OJP Grant Application Resource Guide](#) for additional information on indirect cost rate agreements.

Consultant Rate (if applicable): OJP has established maximum rates for consultants; see the “Listing of Costs Requiring Prior Approval” section of the [DOJ Grants Financial Guide](#) for more information. If an applicant proposes a rate for a consultant on their project that is higher than the established maximum rate and receives an award, then the award recipient must submit a document requesting approval for the rate and cannot incur costs at the higher rate without prior OJP approval. The award recipient must provide justification for why the proposed rate is higher than the established maximum rate, such as why the rate is reasonable and consistent with that paid for similar services in the marketplace.

Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable): If an applicant proposes to hire employees with federal award funds, for any award of more than \$250,000, the recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the federal government’s Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. Applicants may request a waiver from this requirement by submitting the appropriate form. See the [Application Resource Guide](#) for information on the “Limitation on Use of Award Funds for Employee Compensation for Awards over \$250,000; Waiver.”

Disclosure of Process Related to Executive Compensation (if applicable): This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its “Disclosure of Process Related to Executive Compensation” provisions. Applicants to this funding opportunity are not required to provide this disclosure.

Memorandum of Understanding (MOU) (“Other” Entity & Category 3 Applicants Required)

If the applicant identifies as an “**other**” entity as explained in the [Eligibility Criteria](#), an MOU is **required** to show a partnership with the state, city, township, county, or Tribal governments treatment court.

Category 3 applicants are **required** to partner with the state or county child welfare agency and state, or county substance use treatment agency. “**Category 3** applicants **must** include with the application a draft or fully executed letters of intent or memorandum of understanding or agreement (MOU/MOA) formalizing these partnerships. Unsigned draft MOUs may be submitted with the application, but the applicant should describe in a cover page to the attachment why it is unsigned.

For each named partner involved in the project (whether as a subrecipient that will receive federal funds to carry out part of the federal award, or otherwise), applicants should include a signed Memorandum of Understanding (MOU) or a letter of intent that confirms the partner’s agreement to support the project through commitments of staff time, space, services, or other project needs. MOUs or letters of intent demonstrate the commitment of partner organizations to participate in the project. An MOU is a formalized commitment of staff and/or resources that is signed by authorized representatives of both partner organizations. A letter of intent indicates the organizations’ intention to partner, but the details of the commitment have not been fully worked out and officially agreed to.

Each MOU should include the following:

- Names of the organizations involved in the agreement.
- What service(s) and other work will be performed under the agreement by what organization.
- Duration of the agreement.

MOUs should be submitted as one separate attachment to the application.

Unsigned draft MOUs may be submitted with the application, but the applicant should describe in a cover page to the attachment why it is unsigned.

Additional Application Components

The applicant should attach the additional requested documentation listed below in JustGrants.

- **Curriculum Vitae or Resumes:** Provide resumes of key personnel who will work on the proposed project or a description of the experience and skills of key personnel necessary to implement the project.
- **Tribal Authorizing Resolution (if applicable):** An application in response to this NOFO may require inclusion of Tribal authorizing documentation as an attachment. If applicable, the applicant will upload the Tribal authorizing documentation as an attachment in JustGrants. See the [Application Resource Guide](#) for information on Tribal authorizing resolutions.
- **Research and Evaluation Independence and Integrity Statement (if applicable):** If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the [Application Resource Guide](#).
- **Tools/Instruments, Questionnaires, Tables/Charts/Graphs, or Maps:** Applicants may include tables/charts/graphs as a part of their narrative, although they are not required. Tables, charts, and graphs may be no smaller than 10-point font and must be legible.
- **Request To Use Incentives or Stipends:** Refer to [Budget and Associated Documentation](#) for additional details on the request to use incentives or stipends for this funding opportunity.
- **Timeline:** Provide a timeline listing key activities and milestones, and the months, or quarters, during which they will take place.

Disclosures and Assurances

The applicant will address the following disclosures and assurances.

Disclosure of Lobbying Activities: JustGrants will prompt each applicant to indicate if it is required to complete and submit a lobbying disclosure under 31 U.S.C. § 1352.

The applicant is required by law to complete and submit a lobbying disclosure form (Standard Form/SF-LLL) if it has paid or will pay any person to lobby in connection with the award for which it is applying AND this application is for an award in excess of \$100,000. This disclosure requirement is not applicable to such payments by an Indian Tribe, Tribal organization, or any other Indian organization that are permitted by other federal law.

Lobbying means (for this requirement) influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress. See 31 U.S.C. 1352; 28 C.F.R. part 69. Note: Most applicants do not engage in activities that trigger this disclosure requirement.

An applicant that is not required by law (31 U.S.C. 1352) to complete and submit a lobbying disclosure, should enter "No." By doing so, the applicant is affirmatively asserting (under

applicable penalties) that it has nothing to disclose under 31 U.S.C. § 1352 with regard to the application for the award at issue.

Disclosure of Duplication in Cost Items: To ensure funding coordination across grantmaking agencies, and to avoid unnecessary or inappropriate duplication of grant funding, the applicant must disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds, for the same project and the same budget items included in this proposal. Complete the JustGrants Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

DOJ Certified Standard Assurances: Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [Application Resource Guide](#) for additional information.

DOJ Certifications: Review the DOJ document [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Coordination with Affected Agencies](#). An applicant must review and sign the certification document in JustGrants. See the [Application Resource Guide](#) for more information.

Applicant Disclosure and Justification – DOJ High-Risk Grantees (if applicable): If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ high-risk recipient is an award recipient that has received a DOJ high-risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

Submission Dates & Times

Refer to [Basic Information: Key Dates and Times](#) for the submission dates and times.

Applicants should submit their applications as early as possible and recommended not later than 48 hours before the deadlines. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Applicants will use the Certify and Submit feature in JustGrants to confirm that all required application components have been entered, which includes identifying the Authorized Representative for the applicant. Once the application is submitted, the Application Submitter, Authorized Representative, and Entity Administrator receive a confirmation email.

An applicant will receive emails after successfully submitting application components in Grants.gov and JustGrants and should retain all emails and other confirmations received from the SAM.gov, Grants.gov, and JustGrants systems.

Experiencing Technical Issues Preventing Submission of an Application (Technical Waivers)

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. OJP will only consider requests to submit an application via alternative methods or after the deadline when the applicant can document that there is a technical issue with a government system that was beyond their control and that prevents submission of the application via the standard process prior to the deadlines. Issues resulting from circumstances within the applicant's control, such as failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time, will not be considered.

Requests and documentation must be sent to the OJP Response Center at OJP.ResponseCenter@usdoj.gov. Applicants should follow these steps if they experience a technical issue:

- 1. Contact the relevant help desk to report the issue and receive a tracking number.**

See [Basic Information: Contact Information](#) for the phone numbers, email addresses, and operating hours of the SAM.gov, Grants.gov, and JustGrants help desks. Reports of technical issues to the help desk must occur **before** the application deadline.

If an applicant calls the help desk and experiences a long wait time, they can also email the help desk to obtain a tracking number. Tracking numbers are generated automatically when an applicant emails the applicable service desk; for this reason, long wait times for phone support do not relieve the applicant of the responsibility for getting a tracking number.

2. If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at OJP.ResponseCenter@usdoj.gov within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. The applicant's request will need to include:

- A description of the technical difficulties experienced (provide screenshots if applicable).
- A timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit, and date and time support representatives responded).
- An attachment of the complete grant application and all the required documentation and materials (this serves as a "manual" submission of the application).
- The applicant's unique entity identifier (UEI).
- Any SAM.gov, Grants.gov, and JustGrants Service Desk tracking/ticket numbers documenting the technical issue.

3. If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at OJP.ResponseCenter@usdoj.gov within 24 hours of the JustGrants deadline to request approval to submit after the deadline. See step 2 for the list of information the applicant must provide as part of its request.

As a reminder: The waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information previously listed), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the "Experiencing Technical Issues" section in the [Application Resource Guide](#).

APPLICATION REVIEW

Responsiveness (Basic Minimum Requirements) Review

OJP screens applications to ensure they meet the basic minimum requirements (BMR) prior to conducting the merit review. Following are the basic minimum requirements for this funding opportunity. If OJP determines that an application does not include these elements, it will not proceed to merit review and will not receive any further consideration.

- The application is submitted by an eligible applicant.
- The requested award amount does not exceed the award ceiling.
- The application is responsive to the scope of the NOFO.
- The following application elements are included:
 - SF-424 (Grants.gov)
 - Proposal Narrative (JustGrants)
 - Budget detail form, which includes the budget items, their calculations, and explanation (JustGrants)
 - MOUs (Category 3 applicants only)

Applicants whose application fails to meet the BMR are provided notice (including an appropriate point of contact for questions) within a few weeks after the submission due date.

Merit Review Criteria

Peer Review Criteria

Applications that meet the basic minimum requirements will be evaluated for technical merit by peer reviewers based on how the proposed project/program addresses the following criteria:

- **Statement of the Problem/Description of the Issue (10%):** What critical issue or problem the applicant is proposing to address with this project.
- **Project Goals and Objectives (10%):** How the proposed project will address the identified need and the purpose of the funding opportunity.
- **Project Design and Implementation (45%):** The strength of how the applicant will implement activities, including the soundness of the project design and how the activities align with the stated goals and objectives.
- **Capabilities and Competencies (25%):** The applicant's administrative and technical capacity to successfully complete this project.
- **Budget (10%):** Completeness and cost effectiveness.

Programmatic and Financial Review Criteria

After the peer review, applications undergo additional programmatic and financial reviews. OJP staff may reach out to applicants during the programmatic or financial review if a submitted form is incomplete or needs to be updated. Note that OJP staff are not authorized to provide information on peer review scores or comment on programmatic, risk, or budget/financial reviews while the merit review is in progress.

In addition to BMR and peer review criteria, other important considerations for OJP include geographic coverage, strategic priorities, available funding, past performance, and the extent to which the budget detail form accurately explains project costs that are reasonable, necessary,

and otherwise allowable under federal law and applicable federal cost principles. If cost sharing/match is not required for this opportunity, applicants will not receive higher consideration by proposing a voluntary match contribution in their budget.

Risk Review

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to applicant risk. OJP assesses whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, including by (among other things) checking whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

Depending on the severity and nature of the risk factors, the risk assessment may result in the removal of an applicant from consideration or selection for award, or it may result in additional post-award conditions and oversight for an awarded applicant.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through SAM.gov.

Important Note on Responsibility/Qualification Data (formerly FAPIIS): An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

Selection Process

All final award decisions will be made by the Assistant Attorney General, unless a statute explicitly authorizes award decisions by another official or there is written delegation of authority to another official. This official may consider not only peer review ratings and program office recommendations, but also other factors as indicated in the “Application Review” section to make final award decisions. For additional information on the application review process, see the [Application Resource Guide](#).

AWARD NOTICES

Federal Award Notices

For successful applicants, JustGrants will send a system-generated email to the Application Submitter, Authorized Representative, and Entity Administrator with information on accessing their official award package in JustGrants. The award package will include key information (such as funding amount and period of performance) as well as award conditions that must be followed. The Authorized Representative for the entity should accept or decline the award within 45 days of the notification. See the [Application Resource Guide](#) for information on award notifications and instructions.

Applicants not selected for an award will receive notification after all award recipients have been notified. OJP also provides unsuccessful applicants with a summary of peer reviewer comments.

Future Funding Opportunities

OJP may, in certain cases, provide additional funding in future years to awards made under this funding opportunity through continuation awards. When making continuation award decisions, OJP will consider, among other factors, OJP's strategic priorities, a recipient's overall management of the award, and the progress of the work funded under the award.

Applications submitted under this FY 2025 funding opportunity may be funded in future fiscal years, dependent on, among other considerations, the merit of the applications and the availability of appropriations.

POST-AWARD REQUIREMENTS AND ADMINISTRATION

Reporting

All award recipients under this funding opportunity will be required to submit the following reports and data:

- Quarterly financial reports.
- Semi-annual performance reports.
- Final financial and performance reports.
- If applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions.

See the [Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measure data and the method for submitting reports in OJP's online systems. Future awards and fund drawdowns may be withheld if reports are delinquent, and in appropriate cases, OJP may require additional reports.

Performance Measure Reporting

Award recipients are required to submit performance measure data and performance reports in JustGrants on a semi-annual basis. Applicants selected for an award will receive further guidance on post-award reporting processes.

Program- and Award-Specific Award Conditions

OJP includes various conditions on its awards. These may include program-specific conditions, which typically apply to all recipients of a funding opportunity, and award-specific conditions, which are included to address recipient-specific issues (e.g., programmatic or financial risk). Recipients may view all conditions, and actions required to satisfy those conditions, in the award package in JustGrants.

Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the [Application Resource Guide](#).

Civil Rights Compliance

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit the award recipient from discriminating on the basis of race, color, national origin, sex, religion, or disability in how it delivers its program's services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include, but are not limited to, Title VI of the Civil Rights Act of 1964, the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968, and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail on OJP's [Legal Overview—FY 2025 Awards](#) webpage under the

“Civil Rights Requirements” section. Additional resources are available from the [OJP Office for Civil Rights](#).

Compliance with Federal civil rights and nondiscrimination laws is material to the government’s decision to make any award and payment under this program, including for purposes of the False Claims Act, and each recipient will be required to certify (in its acceptance of the conditions of the award) that it does not operate any programs (including any such programs having components relating to diversity, equity, and inclusion) that violate any applicable Federal civil rights or nondiscrimination laws.

See OJP’s [Partnerships with Faith-Based and Other Neighborhood Organizations webpage](#) for specific information for faith-based organizations applying under this NOFO.

Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

Information Technology Security Clauses

An application in response to this NOFO may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.

Other Reporting Requirements

Applicants and recipients are required to notify OJP if you know that you or any of your organization’s principals for the award transaction are presently excluded or disqualified (*i.e.*, debarred or suspended) or otherwise meet any of the criteria in 2 C.F.R. 180.335. Recipients must comply with requirements in 2 C.F.R. Part 180, as implemented by DOJ in 2 C.F.R. Part 2867, which, among other things, require recipients to check certain information sources and, in some cases, notify the federal awarding agency prior to the agency awarding federal funds via contracts or subawards.

If a recipient’s award includes a federal share of more than \$500,000 over the period of performance of the award, then the award (per 2 C.F.R. 200.113) will include a condition that may require the recipient to report and maintain certain information (relating to certain criminal, civil, and administrative proceedings) in SAM.gov. See the [Reporting Requirements page](#) for more information.
