PROGRAM DESCRIPTION

General Purpose of the Funding

BJA seeks to enhance the capacities of state, local, territorial, and tribal criminal justice systems to prevent, investigate, and respond to economic, high-technology, white collar, and internet crimes by delivering training and technical assistance (TTA) to diverse stakeholders. In addition, the program is intended to serve as a key resource to identify new and emerging issues in economic, high-technology, white collar, and internet crime and provide resources and training to educate the field.

Applicants should refer to [Application Contents, Submission Requirements, and Deadlines: Budget Detail Form](#) for information on allowable and unallowable costs that may inform the development of their project design.

Program Goals and Objectives

Goals

- Provide high-quality, cost-effective training and technical assistance to state, local, territorial, and tribal jurisdictions or agencies on preventing, investigating, and responding to economic, high-technology, white collar, and internet crimes. This service should reflect both onsite and remote technical assistance as appropriate.
- Support other BJA sponsored programs to include, but not limited to, the Intellectual Property Enforcement Program (IPEP), the Law Enforcement Cyber Center (LECC), and the Internet of Things (IoT) through TTA.

Objectives

- Increase the knowledge of criminal justice practitioners through in-person, online, and on-demand classes. This would also include webinars.
- Update and enhance existing materials and develop new resources to include educational deliverables both in written and electronic forms.
- Increase the ability of criminal justice agencies to solve problems and/or modify policies or practices related to preventing, investigating, and responding to economic, high-technology, white collar, and internet crimes.
- Document the impact of TTA services IPEP goals and individual site progress with a concentrated focus on counterfeit goods that pose a threat to human health and safety, which are committed by organized crime, gang, and/or drug trafficking organizations.
- Improve the awareness of trainings and resources available to the field in these areas of interest and how these can be accessed.

Deliverables

- Information provided to update the United States DOJ PRO IP Act Annual Report

How Awards Will Contribute to Program Goals/Objectives

OJP anticipates that the award recipients will continue to provide direct services, training, and resources to FSLTT law enforcement and criminal justice agencies with the intent to reduce crime, build safer communities, and improves the sharing of information and criminal intelligence.

Expected Outcomes: Deliverables and Performance Measures

To achieve the goals and objectives of this funding opportunity, OJP has identified expected deliverables that must be produced by a recipient. OJP has also identified performance measures (pieces of data) that will indicate how a recipient is achieving the performance goals and objectives identified above. Recipients will need to collect and report this performance measure data to OJP.

Deliverables

- Classroom-style trainings on economic, high-technology, white collar, and internet crimes will be provided at locations and times approved by BJA. Each must include pre- and post-event participant evaluations that assess the quality of the faculty members and the information provided and evaluate the impact on the participants' knowledge. Award recipients will summarize the results of these evaluations and share them with BJA in order to inform and enhance future TTA activities.
- An expanded, updated, and improved online training program will be maintained under the guidance of BJA that focuses on economic, high-technology, white collar, and internet crimes. Applicants should explain how online training will result in savings to participating agencies and BJA and traditional in-person classes can be modified and presented in an online format.
- Develop and share with BJA instructional aides such as PowerPoint presentations, issue papers, policy and practice briefs, and handbooks to assist agencies or jurisdictions in examining and improving their own policies and practices related to preventing, investigating, and/or responding to economic, high-technology, white collar, and internet crimes.
- Resources and materials should target law enforcement administrators, policymakers, mid-level supervisors, and line staff. Materials should also be developed specifically for prosecutors and judges. Although the primary target audience for these materials is criminal justice system stakeholders, the products developed will, ideally, be adaptable for use with the general public to build community members' awareness of prevention methods utilized by state and local agencies.
- Provide content and manage these items for the BJA-supported LECC, hosted by the International Association of Chiefs of Police (IACP) in conjunction with the Police Executive Research Forum (PERF). The applicant should also allocate a portion of the funding in its budget to continue the support of the LECC and its partners.
- Support technical assistance (onsite and offsite) that is designed to address the specific need(s) of each requesting jurisdiction or agency. This would include stating the elements of an effective technical assistance.
- Provide the support to BJA's Intellectual Property Enforcement Program (IPEP) and grantees.

Program objectives and deliverables should be included in one timeline.

Performance Measures

Performance measures are data that show a recipient's progress in implementing their project, such as the number of people served or number of trainings conducted. OJP will require each award recipient to submit regular performance reports that communicate progress toward achieving the goals and objectives identified in [Program Goals and Objectives](#). Applicants can visit [OJP's performance measurement page](#) at ojp.gov/performance for more information on performance measurement activities.

A list of performance measure questions for this funding opportunity can be found [here](#).

Funding Instrument

OJP expects to make awards under this funding opportunity as grants. See the "[Administrative, National Policy, and Other Legal Requirements](#)" section of the [Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP awards.

Cost Sharing/Match Requirements

This funding opportunity does not require a match.

APPLICATION CONTENTS, SUBMISSION REQUIREMENTS, AND DEADLINES

How To Request Application Materials

This NOFO contains all the information needed to apply for this funding opportunity. The application for this funding opportunity is submitted through web-based forms and attachments in Grants.gov and JustGrants. For questions about the requirements of this funding opportunity, please refer to [Basic Information: Agency Contact Information](#).

Unique Entity Identifiers (UEIs) and SAM.gov Registration

To submit an application, an applicant must have an active registration in the [System for Award Management \(SAM.gov\)](#). SAM.gov assigns entities a unique entity identifier (UEI) that is required for the entity to apply for federal funding. Applicants will enter their UEI with their application. Award recipients must then maintain an active UEI for the duration of their award's period of performance.

First-time Registration: Entities registering in SAM.gov for the first time will submit information about their entity type and structure, financial information (such as dates of the fiscal year, banking information, and executive compensation), entity points of contact, and other information. The information is reviewed and verified by SAM.gov, and then a UEI is issued. This process may take several weeks, so entities considering applying for funding should begin the registration process as soon as possible.

Renewing an Existing Registration: Entities must renew their SAM.gov registration every 12 months to keep it active. If an entity does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent the submission of an application for funding in Grants.gov and JustGrants.

Applicants are encouraged to start the SAM.gov registration or renewal process **at least 30 days prior to the application's Grants.gov deadline**. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not be able to complete the process in time and will not be considered for a technical waiver that allows for late submission.

Submission Instructions: Summary

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants. See [Basic Information: Key Dates](#) for the Grants.gov and JustGrants application deadlines.

- **Step 1:** The applicant must submit the required [Application for Federal Assistance SF-424](#) by the Grants.gov deadline.
- **Step 2:** The applicant must submit the full application, including attachments, through JustGrants by the deadline (see [JusticeGrants.usdoj.gov](#)).

Submission Step 1: Grants.gov Submission of SF-424 Access/Registration

If the applicant does not already have a Grants.gov account, they will need to register for this opportunity in Grants.gov. Applicants should follow the Grants.gov [Quick Start Guide for Applicants](#) to register, create a workspace, assign roles, submit an application, and troubleshoot issues.

Submission of the SF-424

Applicants will begin the application process in Grants.gov with the submission of the SF-424, which collects the applicant's name, address, and UEI; the funding opportunity number; and proposed project title, among other information. The SF-424 must be signed by the Grants.gov Authorized Organizational Representative for the applicant.

See the [Application Resource Guide](#) for additional information on completing the SF-424.

Section 8F – Applicant Point of Contact: Please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*i.e.*, email address) to assign the application to this user in JustGrants.

Section 19 – Intergovernmental Review

This funding opportunity is not subject to [Executive Order \(E.O.\) 12372](#) (Intergovernmental Review). Applicants should answer section 19 by selecting, "Program is not covered by E.O. 12372."

An applicant should submit the SF-424 as early as possible and recommended not later than 48 hours before the Grants.gov deadline. If an applicant fails to submit the SF-424 in Grants.gov by the deadline, they will be unable to submit their application in JustGrants.

Once the first part of the application has been successfully submitted in Grants.gov, the Grants.gov Workspace status will change from "In Progress" to "Submitted." Applicants will also receive a series of four Grants.gov email notifications. Refer to the [DOJ Application Submission Checklist](#) for additional details.

If an applicant needs to update information in the SF-424 after it is submitted in Grants.gov, they can update the information as part of their JustGrants submission (see [Application Contents, Submission Requirements, and Deadlines: Standard Applicant Information](#)). They do not need to submit an update in Grants.gov.

Submission Step 2: JustGrants Submission of Full Application Access/Registration

For first-time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from DIAMD-NoReply@usdoj.gov) to the email address listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. This email should arrive within 24 hours after confirmation from Grants.gov of the SF-424 submission.

Creating and setting up a JustGrants account consists of three steps:

1. Follow the instructions in the email to first confirm who will be the Entity Administrator (the person who manages which staff can access JustGrants on behalf of the applicant).
2. Log in to JustGrants and confirm the information in the Entity Profile.

3. Invite other individuals who will serve as the Application Submitter and the Authorized Representative for the applicant to register for JustGrants.

These steps should be completed in JustGrants as early as possible and recommended not later than 48 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Applicants can find additional information on JustGrants registration in the [DOJ Grant Application Submission Checklist](#).

Preparing for Submission

Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare, enter, and upload all the requirements of the application.

Applicants may save their application in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants. Once the application is submitted, no changes or additions can be made to the application. **OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline.**

For additional information, including file name and type requirements, see the “How To Apply” section in the [Application Resource Guide](#).

Standard Applicant Information

The Standard Applicant Information section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and can make whatever edits are needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and confirm the organization’s unique entity identifier, legal name, and address.

Proposal Abstract

A proposal abstract (no more than 2,000 characters) summarizing the proposed project must be completed in the JustGrants web-based form. The text from abstracts will be made publicly available on the OJP.gov and USASpending.gov websites if the project is awarded, so this section of the application should not contain any personally identifiable information (e.g., the name of the project director).

The abstract should be in paragraph form without bullets or tables and written in the third person (e.g., they, the community, their, themselves, rather than I or we). The abstract should include the following information:

- The name of the applicant’s proposed project.
- The purpose of the proposed project (*i.e.*, what the project will do and why it is necessary).
- Where the project will take place (*i.e.*, the service area, if applicable).

- What activities will be carried out to complete the project.

- The subrecipient(s)/partner organizations or entities, if known.

See the [Application Resource Guide](#) for an [example](#) of a proposal abstract.

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary for the operation of the organization and the performance of the project. If an applicant proposes a rate for a consultant on their project that is higher than the established maximum rate and receives an award, then the award recipient must submit a document requesting approval for the rate and cannot incur costs at the higher rate without prior OJP approval. The award recipient must provide justification for why the proposed rate is higher than the established maximum rate, such as why the rate is reasonable and consistent with that paid for similar services in the marketplace.

Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable):

This notice of funding opportunity expressly modifies the OJP Grant Application Resource Guide by not incorporating the “Limitation on Use of Award Funds for Employee Compensation; Waiver” provisions in the “Financial Information” section of the OJP Grant Application Resource Guide.

Disclosures and Assurances

The applicant will address the following disclosures and assurances.

Disclosure of Lobbying Activities: JustGrants will prompt each applicant to indicate if it is required to complete and submit a lobbying disclosure under 31 U.S.C. § 1352.

The applicant is required by law to complete and submit a lobbying disclosure form (Standard Form/SF-LLL) if it has paid or will pay any person to lobby in connection with the award for which it is applying AND this application is for an award in excess of \$100,000. This disclosure requirement is not applicable to such payments by an Indian Tribe, Tribal organization, or any other Indian organization that are permitted by other federal law.

Lobbying means (for this requirement) influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress. See 31 U.S.C. 1352; 28 C.F.R. part 69. Note: Most applicants do not engage in activities that trigger this disclosure requirement.

Disclosure of Duplication in Cost Items: To ensure funding coordination across grantmaking agencies, and to avoid unnecessary or inappropriate duplication of grant funding, the applicant must disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds, for the same project and the same budget items included in this proposal. Complete the JustGrants Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

An applicant must review and sign the certification document in JustGrants. See the [Application Resource Guide](#) for more information.

Applicant Disclosure and Justification – DOJ High-Risk Grantees (if applicable): If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ high-risk recipient is an award recipient that has received a DOJ high-risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

Submission Dates & Times

Refer to [Basic Information: Key Dates](#) for the submission dates and times.

Applicants should submit their applications as early as possible and recommended not later than 48 hours before the deadlines. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Applicants will use the “Certify and Submit” feature in JustGrants to confirm that all required application components have been entered, which includes identifying the Authorized Representative for the applicant. Once the application is submitted, the Application Submitter, Authorized Representative, and Entity Administrator receive a confirmation email.

An applicant will receive emails after successfully submitting application components in Grants.gov and JustGrants and should retain all emails and other confirmations received from the SAM.gov, Grants.gov, and JustGrants systems.

APPLICATION REVIEW

Review Process and Criteria

OJP will review applications to ensure the information presented is reasonable, understandable, measurable, achievable, and consistent with the goals of the funding opportunity. In addition, OJP reviews invited applications for consistency with the invitation letter and invited applicant guidance. See the [OJP Grant Application Resource Guide](#) for information on the application review process.

Risk Review

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to applicant risk. OJP assesses whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, including by (among other things) checking whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

Depending on the severity and nature of the risk factors, the risk assessment may result in the removal of an applicant from consideration or selection for award, or it may result in additional post-award conditions and oversight for an awarded applicant.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

Important Note on Responsibility/Qualification Data (formerly FAPIIS): An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

Selection Process

All final award decisions will be made by the Assistant Attorney General, unless a statute explicitly authorizes award decisions by another official or there is written delegation of authority to another official. This official may consider not only program office recommendations, but also other factors as indicated in the “Application Review” section. For additional information on the application review process, see the [Application Resource Guide](#).

AWARD NOTICES

Federal Award Notices

Award notifications are usually sent by September 30 (the end of the current federal fiscal year). For successful applicants, JustGrants will send a system-generated email to the Application Submitter, Authorized Representative, and Entity Administrator with information on accessing their official award package in JustGrants. The award package will include key information (such as funding amount and period of performance) as well as award conditions that must be followed. An Authorized Representative for the entity should accept or decline the award within 45 days of the notification. See the [Application Resource Guide](#) for information on award notifications and instructions.

POST-AWARD REQUIREMENTS AND ADMINISTRATION

Reporting

All award recipients under this funding opportunity will be required to submit the following reports and data:

- Quarterly financial reports.
- Semi-annual performance reports.
- Final financial and performance reports.
- If applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions.

See the [Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measure data and the method for submitting reports in OJP's online systems. Future awards and fund drawdowns may be withheld if reports are delinquent (in appropriate cases, OJP may require additional reports).

Performance Measure Reporting

Award recipients are required to submit performance measure data and performance reports in JustGrants on a semi-annual basis. Applicants selected for an award will receive further guidance on post-award reporting processes.

Program- and Award-Specific Award Conditions

OJP includes various conditions on its awards. These may include program-specific conditions, which typically apply to all recipients of a funding opportunity, and award-specific conditions, which are included to address recipient-specific issues (e.g., programmatic or financial risk). Recipients may view all conditions, and actions required to satisfy those conditions, in the award package in JustGrants.

Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the "Administrative, National Policy, and Other Legal Requirements" section in the [Application Resource Guide](#).

Civil Rights Compliance

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit the award recipient from discriminating on the basis of race, color, national origin, sex, religion, or disability in how it delivers its program's services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include, but are not limited to, Title VI of the Civil Rights Act of 1964, the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968, and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail on OJP's [Legal Overview—FY 2025 Awards](#) webpage under the

“Civil Rights Requirements” section. Additional resources are available from the [OJP Office for Civil Rights](#).

Complying with civil rights laws that prohibit national origin discrimination includes the requirement that recipients and subrecipients take reasonable steps to ensure that people with limited English proficiency (LEP) have meaningful access to a recipient’s programs and activities. An individual with LEP is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. DOJ offers resources to help recipients meet this requirement, including [Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons](#); a [language access assessment and planning tool](#) with [commonly asked questions](#); and additional resources on [the Office of Justice Programs’ Office for Civil Rights website](#).

Financial Management and System of Internal Controls

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

Information Technology Security Clauses

An application in response to this NOFO may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.

Other Reporting Requirements

Applicants and recipients are required to notify OJP if you know that you or any of your organization’s principals for the award transaction are presently excluded or disqualified (*i.e.*, debarred or suspended) or otherwise meet any of the criteria in 2 C.F.R. 180.335. Recipients must comply with requirements in 2 C.F.R. Part 180, as implemented by DOJ in 2 C.F.R. Part 2867, which, among other things, require recipients to check certain information sources and, in some cases, notify the federal awarding agency prior to the agency awarding federal funds via contracts or subawards.

If a recipient’s award includes a federal share of more than \$500,000 over the period of performance of the award, then the award (per 2 C.F.R. 200.113) will include a condition that may require the recipient to report and maintain certain information (relating to certain criminal, civil, and administrative proceedings) in SAM.gov. See <https://www.ojp.gov/funding/explore/legaloverview2025/otherrequirements> for more information.
