1. BASIC INFORMATION

Purpose of the Funding

The Office of Justice Programs (OJP) is committed to advancing work that furthers the U.S. Department of Justice's (DOJ) mission to keep our country safe and secure and uphold the rule of law and protect the rights of American citizens. OJP provides federal leadership, funding, and other critical resources to directly support law enforcement, combat violent crime, protect American children, provide services to American crime victims, and address public safety challenges, including human trafficking and the opioid crisis.

This is a notice of funding opportunity (NOFO) for the **BJA FY 2026 Rural Violent Crime Reduction Initiative**. This opportunity supports local law enforcement in rural jurisdictions to prevent, respond to, and reduce violent crime. The goal is to equip rural law enforcement agencies and prosecutors' offices with the resources necessary to implement a violent crime reduction strategy to solve a specific violent crime challenge utilizing one or more of the following approaches:

- **Personnel, Tactics, Training, and Equipment to Reduce Violent Crime.** This includes updated technology and tools, including records management systems, vehicles, vests, and firearms that assist agencies in responding to and preventing violent crime. This also includes hiring additional personnel such as a prosecutor or criminologist to strategically address persistent crimes, early case management, and increased police training.
- **Technological Enhancements to Reduce Violent Crime.** Technology takes the form of hardware, software, communications systems, intelligence centers, and equipment. Technology systems can create the infrastructure for actionable intelligence, enhance officer safety, support efficient operations, shorten case filing timelines, and manage risk.
- **Data Analytics and Intelligence.** Enhance crime analysis capabilities through personnel, training, and software enhancements to identify crime hotspots, predict high-risk times and locations, and allocate resources more effectively to prevent violent incidents before they occur.
- Other approaches that align with the Department's priorities and provide a significant reduction in violent crime rates.

See the [Eligible Applicants](#) section for eligibility details.

- o Special district governments
- o Native American Tribal governments (federally recognized)
- o Native American Tribal governments (other than federally recognized)

Cost Sharing (Match) Requirement: This NOFO does **not** require cost sharing (match).

Limit on Number of Applications:

Applications under which two or more entities (project partners) would carry out the project will be considered. However, only one entity may be the applicant; any others must be proposed as subrecipients. Read the [Application Resource Guide](#) for additional information on subawards.

Additional Eligibility Factors

Certifications: You must submit the following certifications. See [Additional Application Components](#) for how to submit.

- **Certification Required (State or Local Government Applicants):** In order to request a federal grant award under this program, an applicant that is a state or local government entity must submit a certification (using only the template provided in [Appendix 1](#)). Tribal government entities and educational organizations (e.g., public or state-controlled institutions of higher education) are not required to submit this certification. This certification is a basic minimum requirement of this funding opportunity, such that applications from applicants that are required to submit it and fail to do so will be denied.
- Also, such applicants should anticipate that awards to state or local government entities under this NOFO will include an award condition addressing compliance with 8 U.S.C. 1373.

Service to Rural Area or Rural Community: To be eligible to receive funding through this program, an applicant must demonstrate that it proposes to serve a rural area or rural community. Every application must include documentation demonstrating that the proposed service area meets this requirement. The only exception is for federally recognized Indian Tribes, which are statutorily identified as rural, regardless of their location, and therefore are not required to submit this documentation.

A rural area or rural community is defined by 34 U.S.C. § 12291(a)(32) to mean: (a) any area or community, respectively, no part of which is within an area designated as a standard metropolitan statistical area by the Office of Management and Budget; (b) any area or community, respectively, that is (i) within an area designated as a metropolitan statistical area or considered as part of a metropolitan statistical area; and (ii) located in a rural census tract; or (c) any federally recognized Indian Tribe.

3. PROGRAM DESCRIPTION

Statutory Authority

Department of Justice Appropriations Act, 2026 (Pub. L. No. 119-74, 140 Stat. 5, 30, para. (1)(L))

Agency Funding Priorities

To help meet its mission, OJP may give priority consideration to applications proposing (as applicable within the scope of this NOFO) projects designed to advance the goals listed below:

- (a) Directly supporting law enforcement operations (including immigration law enforcement operations);
- (b) Combatting violent crime;
- (c) Supporting services to American citizens;
- (d) Protecting American children;
- (e) Supporting American victims of trafficking and sexual assault; and
- (f) State/local law enforcement efforts that are coordinated with federal law enforcement efforts (including immigration law enforcement efforts)—at minimum as shown by—
 - (1) compliance with 8 U.S.C. § 1373, which provides that state and local government entities may not prohibit, or in any way restrict, any government entity or official from sending to, receiving from, maintaining, or exchanging information regarding citizenship or immigration status, lawful or unlawful, of any individual with components of the U.S. Department of Homeland Security or any other federal, state or local government entity; and
 - (2) having in place a statute, ordinance, rule, regulation, policy, or practice that is designed to ensure both— (A) that agents of the United States acting under color of federal law in fact are given access to any pertinent correctional facility for the purpose of permitting such agents to meet with individuals who are (or are believed by such agents to be) aliens and to inquire as to such individuals' right to be or remain in the United States; and (B) that, when any such facility receives from the U.S. Department of Homeland Security a formal written request authorized by the Immigration and Nationality Act that seeks advance notice of the scheduled release date and time for a particular alien in such facility, then such facility in fact will honor such request and (as early as practicable) provide the requested notice to such Department.

In addition, priority consideration will be given under this NOFO for state/local law enforcement efforts that are coordinated with federal law enforcement efforts through: (i) established and full participation in, or (ii) commitment to enter into and fully participate in a 287(g) partnership and/or a Homeland Security Task Force (HSTF). To request

priority consideration, applicants must provide a letter of support from DOJ through the U.S. Attorney's Office's Lead HSTF Attorney (for the applicable HSTF), certifying the applicant is currently or intends to participate in HSTF activities or major DOJ operations; with respect to a 287(g) partnership, the applicant must provide documentary evidence that it is already an established 287(g) partner, or else, evidence of a bona fide commitment to engage in such a partnership.

Note: Addressing these priorities is one of many factors that OJP considers in making funding decisions. Receiving priority consideration does not guarantee funding.

Unallowable Activities: The following are certain unallowable costs and certain activities that are out of the program scope and will not be funded.

1. Out of program scope is any program or activity, at any tier that, directly or indirectly, violates (or promotes or facilitates the violation of) federal immigration law (including 8 U.S.C. § 1373) or impedes or hinders the enforcement of federal immigration law—including by failing to comply with 8 U.S.C. § 1373, give access to DHS agents, or honor DHS requests and provide requested notice to DHS agents.
2. Out of program scope is any program or activity, at any tier that violates any applicable Federal civil rights or nondiscrimination law. This includes violations that – (1) indirectly violate the law, including by promoting or facilitating violations; or (2) unlawfully favor individuals in any race or protected group, including on a majority or minority, or privileged or unprivileged, basis, within a given area, population, or sector.
3. As specified in the [DOJ Grants Financial Guide](#), in Chapter 3.13 “Unallowable Costs” (“Legal Services for Aliens”), any obligations of funds, at any tier, under this award to provide (or to support the provision of) legal services to any removable alien or any alien otherwise unlawfully present in the United States shall be unallowable costs for purposes any award made under this notice, but the foregoing shall not be understood to apply— (1) to legal services to obtain protection orders for victims of crime; or (2) to immigration-related legal services that may be expressly authorized or required by any law, or any judicial ruling, governing or applicable to the award.

Goals and Objectives of This Funding Opportunity
