1. BASIC INFORMATION

Purpose of the Funding

The Office of Justice Programs (OJP) is committed to advancing work that furthers the U.S. Department of Justice's (DOJ) mission to keep our country safe and secure and uphold the rule of law and protect the rights of American citizens. OJP provides federal leadership, funding, and other critical resources to directly support law enforcement, combat violent crime, protect American children, provide services to American crime victims, and address public safety challenges, including human trafficking and the opioid crisis.

This is a notice of funding opportunity (NOFO) for the **BJA FY 2026 Justice Reinvestment Initiative: Strengthening State and Local Operations to Reduce Crime and Recidivism**. This opportunity will support state, local, and tribal government efforts to reduce wasteful spending and inefficient uses of funds across justice system operations and redirect that funding to target crime and other public safety and/or justice system challenges. Applicants should propose projects that address one or more urgent local justice system challenge. Applicants should use existing data and information to identify the specific challenges they will focus on and how they will refocus resources on the strategies and populations most likely to reduce crime. Jurisdictions may consider addressing challenges across the judicial system, including those related to law enforcement, prosecution, sentencing, jails and prisons, probation, and parole.

Examples of challenges that may be the focus of a project include, but are not limited to:

- Addressing shortages in correctional officers.
- Fortifying correctional environments to increase the prevention and interdiction of contraband (e.g., drugs and weapons, other prohibited items) into and within facilities.
- Developing and testing applications of advanced technology to increase efficiency (e.g., artificial intelligence, facial recognition, scanners, counter-drone).
- Improving court processing and efficient docket management.
- Improving pretrial systems.
- Addressing the needs of high system utilization by populations with mental health and/or substance use issues.
- Improving meaningful and timely information sharing across justice system partners, such as adopting a unique, universal, statewide identification number to enable the collection of more comprehensive and useful crime and recidivism data or improving offender-specific information sharing to better manage and hold accountable high-risk individuals through detention, reentry, and supervision.
- Tracking data across prosecutors' offices to understand relationships between violent crime and charging and adjudication decisions.

- Strengthening the ability of law enforcement to investigate and respond to crimes by focusing on less resource-intensive alternative responses to mental health crises or improving the performance and timeliness of forensic evidence processing.
- Prioritizing confinement resources and bed space to incarcerate serious, chronic, or violent offenders.

See the [Eligible Applicants](#) section for eligibility details.

Agency Funding Priorities

To help meet its mission, OJP may give priority consideration to applications proposing (as applicable within the scope of this NOFO) projects designed to advance the goals listed below:

- (a) Directly supporting law enforcement operations (including immigration law enforcement operations);
- (b) Combatting violent crime;
- (c) Supporting services to American citizens;
- (d) Protecting American children; and
- (e) Supporting American victims of trafficking and sexual assault.
- (f) State/local law enforcement efforts that are coordinated with federal law enforcement efforts (including immigration law enforcement efforts)—at minimum as shown by—
 - (1) compliance with 8 U.S.C. § 1373, which provides that state and local government entities may not prohibit, or in any way restrict, any government entity or official from sending to, receiving from, maintaining, or exchanging information regarding citizenship or immigration status, lawful or unlawful, of any individual with components of the U.S. Department of Homeland Security or any other federal, state or local government entity; and
 - (2) having in place a statute, ordinance, rule, regulation, policy, or practice that is designed to ensure both (A) that agents of the United States acting under color of federal law in fact are given access to any pertinent correctional facility for the purpose of permitting such agents to meet with individuals who are (or are believed by such agents to be) aliens and to inquire as to such individuals' right to be or remain in the United States; and (B) that, when any such facility receives from the U.S. Department of Homeland Security a formal written request authorized by the Immigration and Nationality Act that seeks advance notice of the scheduled release date and time for a particular alien in such facility, then such facility in fact will honor such request and (as early as practicable) provide the requested notice to such Department.

In addition to the agency priorities listed above, priority consideration will be given under this NOFO to applicants in states and units of local government that actively meet the below criteria, to the maximum extent permitted by law:

- (i) enforce prohibitions on open illicit drug use;
- (ii) enforce prohibitions on urban camping and loitering;
- (iii) enforce prohibitions on urban squatting;
- (iv) enforce, and where necessary, adopt, standards that address individuals who are a danger to themselves or others and suffer from serious mental illness or substance use disorder, or who are living on the streets and cannot care for themselves, through assisted outpatient treatment or by moving them into treatment centers or other appropriate facilities via civil commitment or other available means, to the maximum extent permitted by law; or
- (v) for state applicants, substantially implement and comply with, to the extent required, the registration and notification obligations of the Sex Offender Registry and Notification Act, particularly in the case of registered sex offenders with no fixed address, including by adequately mapping and checking the location of homeless sex offenders.

Applicants seeking this additional priority consideration, should complete “Agency Funding Priorities Inventory – Ending Crime and Disorder” in JustGrants to indicate which criteria they are actively meeting.

Priority consideration will also be given under this NOFO for state/local law enforcement efforts that are coordinated with federal law enforcement efforts through: (i) established and full participation in, or (ii) commitment to enter into and fully participate in a 287(g) partnership and/or a Homeland Security Task Force (HSTF). To request priority consideration, applicants must provide a letter of support from DOJ through the U.S. Attorney's Office's Lead HSTF Attorney (for the applicable HSTF), certifying the applicant is currently or intends to participate in HSTF activities or major DOJ operations; with respect to a 287(g) partnership, the applicant must provide documentary evidence that it is already an established 287(g) partner, or else, evidence of a bona fide commitment to engage in such a partnership.

Note: Addressing these priorities is one of many factors that OJP considers in making funding decisions. Receiving priority consideration does not guarantee funding.

Unallowable Activities: The following are certain unallowable costs and certain activities that are out of the program scope and will not be funded.

1. Out of program scope is any program or activity, at any tier that, directly or indirectly, violates (or promotes or facilitates the violation of) federal immigration law (including 8 U.S.C. § 1373) or impedes or hinders the enforcement of federal immigration law—including by failing to comply with 8 U.S.C. § 1373, give access

to DHS agents, or honor DHS requests and provide requested notice to DHS agents.

2. Out of program scope is any program or activity, at any tier that violates any applicable Federal civil rights or nondiscrimination law. This includes violations that (1) indirectly violate the law, including by promoting or facilitating violations; or (2) unlawfully favor individuals in any race or protected group, including on a majority or minority, or privileged or unprivileged, basis, within a given area, population, or sector.
3. As specified in the [DOJ Grants Financial Guide](#), in Chapter 3.13 “Unallowable Costs” (“Legal Services for Aliens”), any obligations of funds, at any tier, under this award to provide (or to support the provision of) legal services to any removable alien or any alien otherwise unlawfully present in the United States shall be unallowable costs for purposes any award made under this notice, but the foregoing shall not be understood to apply: (1) to legal services to obtain protection orders for victims of crime; or (2) to immigration-related legal services that may be expressly authorized or required by any law, or any judicial ruling, governing or applicable to the award.
