1. BASIC INFORMATION

Purpose of the Funding

The Office of Justice Programs (OJP) is committed to advancing work that furthers the U.S. Department of Justice's (DOJ) mission to keep our country safe and secure and uphold the rule of law and protect the rights of American citizens. OJP provides federal leadership, funding, and other critical resources to directly support law enforcement, combat violent crime, protect American children, provide services to American crime victims, and address public safety challenges, including human trafficking and the opioid crisis.

This is a notice of funding opportunity (NOFO) for the **OJJDP FY 2026 Emergency Planning for Juvenile Justice Residential Facilities** program. This opportunity will support the development, improvement, and/or implementation of emergency planning activities for state, Tribal, county, and local juvenile justice residential facilities. Emergency planning activities should prepare facilities to prioritize the safety and well-being of youth and staff, keep families informed, continue operations, and reduce risk to the facility during and after an emergency. The goal of the program is to help facilities improve their ability to respond to and recover from these incidents. For the purposes of this program, emergency is defined as an incident—natural, technological, or nonnatural—that requires a response to protect life and property.

Funds may be used to restore essential services and operations. In general, funds may be used to cover costs that:

- Prioritizes the safety and well-being of youth and staff during emergencies.
- Maintain efficient continuation of facility operations to prevent disruptions and reduce risk to the facility.

Additional examples can be found in the [OJJDP Emergency Planning for Juvenile Justice Residential Facilities guide](#). While these examples provide ideas, applicants are encouraged to propose other relevant activities focused on safety and emergency preparedness.

See the [Eligible Applicants](#) section for eligibility details.
