1. BASIC INFORMATION

Purpose of the Funding

The Office of Justice Programs (OJP) is committed to advancing work that furthers the U.S. Department of Justice's (DOJ) mission to keep our country safe and secure and uphold the rule of law and protect the rights of American citizens. OJP provides federal leadership, funding, and other critical resources to directly support law enforcement, combat violent crime, protect American children, provide services to American crime victims, and address public safety challenges, including human trafficking and the opioid crisis.

This is a notice of funding opportunity (NOFO) for the **OJJDP FY 2026 Mentoring for Youth Impacted by Opioids and Other Substance Use** program. This opportunity supports the implementation and delivery of high-quality mentoring services for youth who are currently using or dependent on substances, as well as youth at risk of substance use or who have close family members experiencing substance use or dependency. Mentoring services may include one-on-one, group, or peer mentoring—or a combination of these approaches or hybrid (traditional in-person combined with virtual mentoring).

Funding will support:

- Mentoring services to youth who are 17 years old or younger at the time of admission to the program. Mentors must be adults ages 18 or older—in cases where peer mentoring models are implemented, older peers may act as mentors under the supervision of an adult.
- Services targeting both impacted youth and their families.
- Training for mentors to recognize the signs and symptoms of substance use among individuals at risk of opioid and other substance use.
- Up to 20 percent of the total project funds for other non-mentoring direct services, such as mental health treatment, substance use treatment, or other supportive services identified and aligned with the project design.

There are two categories under this NOFO:

- **Category 1: Local Project Sites.** The focus of this category is to provide mentoring services as part of a prevention, treatment, recovery, and supportive approach for those youth directly impacted by substance use. Mentoring organizations under Category 1 must establish a formal relationship through a Memorandum of Understanding with a public or private substance use treatment organization serving the targeted project site location that can demonstrate they are licensed and/or accredited prior to application submission.

- **Category 2: Statewide and Regional.** This category supports a broad-based approach to building mentoring program capacity in targeted regions throughout the country to help youth directly impacted by substance use.
 - This category will support statewide or regional approaches to expanding mentoring services for youth in areas with demonstrated high levels of substance use. This may include:
 - States or statewide organizations providing subgrants to mentoring organizations in particular regions.
 - Federally recognized Tribes supporting mentoring programs.
 - National mentoring organizations funding active chapters or subrecipients.

Mentoring organizations under Category 2 must establish formal relationships through a Memorandum of Understanding with public or private substance use treatment organizations that can demonstrate they serve the targeted project area and are licensed and/or accredited prior to application submission.

See the [Eligible Applicants](#) section for eligibility details.

This includes violations that – (1) indirectly violate the law, including by promoting or facilitating violations; or (2) unlawfully favor individuals in any race or protected group, including on a majority or minority, or privileged or unprivileged, basis, within a given area, population, or sector.

3. As specified in the [DOJ Grants Financial Guide](#), in Chapter 3.13 “Unallowable Costs” (“Legal Services for Aliens”), any obligations of funds, at any tier, under this award to provide (or to support the provision of) legal services to any removable alien or any alien otherwise unlawfully present in the United States shall be unallowable costs for purposes any award made under this notice, but the foregoing shall not be understood to apply— (1) to legal services to obtain protection orders for victims of crime; or (2) to immigration-related legal services that may be expressly authorized or required by any law, or any judicial ruling, governing or applicable to the award.
