# 1. BASIC INFORMATION

## Purpose of the Funding

The Office of Justice Programs (OJP) is committed to advancing work that furthers the U.S. Department of Justice's (DOJ) mission to keep our country safe and secure and uphold the rule of law and protect the rights of American citizens. OJP provides federal leadership, funding, and other critical resources to directly support law enforcement, combat violent crime, protect American children, provide services to American crime victims, and address public safety challenges, including human trafficking and the opioid crisis.

This is a notice of funding opportunity (NOFO) for the **OVC FY 2026 Services for Victims of Technology-Facilitated Abuse**. This opportunity supports victim services to address technology-facilitated abuse (TFA). TFA includes, but is not limited to, crimes commonly referred to as image-based sexual abuse, non-consensual distribution of intimate images, sextortion, synthetic intimate images ("deepfakes"), online stalking, harassment, and abuse.

### 3. PROGRAM DESCRIPTION

#### Statutory Authority

34 U.S.C. § 20103(c)(1)(A)

#### Agency Funding Priorities

To help meet its mission, OJP may give priority consideration to applications proposing (as applicable within the scope of this NOFO) projects designed to advance the goals listed below:

- (a) Directly supporting law enforcement operations (including immigration law enforcement operations);
- (b) Combatting violent crime;
- (c) Supporting services to American citizens;
- (d) Protecting American children; and
- (e) Supporting American victims of trafficking and sexual assault.

**Note:** Addressing these priorities is one of many factors that OJP considers in making funding decisions. Receiving priority consideration does not guarantee funding.

**Unallowable Activities:** The following are certain unallowable costs and certain activities that are out of the program scope and will not be funded.

1. Out of program scope is any program or activity, at any tier that, directly or indirectly, violates (or promotes or facilitates the violation of) federal immigration law (including 8 U.S.C. § 1373) or impedes or hinders the enforcement of federal immigration law—including by failing to comply with 8 U.S.C. § 1373, give access to DHS agents, or honor DHS requests and provide requested notice to DHS agents.

2. Out of program scope is any program or activity, at any tier that violates any applicable Federal civil rights or nondiscrimination law. This includes violations that (1) indirectly violate the law, including by promoting or facilitating violations; or (2) unlawfully favor individuals in any race or protected group, including on a majority or minority, or privileged or unprivileged, basis, within a given area, population, or sector.
3. As specified in the [DOJ Grants Financial Guide](#), in Chapter 3.13 “Unallowable Costs” (“Legal Services for Aliens”), any obligations of funds, at any tier, under this award to provide (or to support the provision of) legal services to any removable alien or any alien otherwise unlawfully present in the United States shall be unallowable costs for purposes any award made under this notice, but the foregoing shall not be understood to apply: (1) to legal services to obtain protection orders for victims of crime; or (2) to immigration-related legal services that may be expressly authorized or required by any law, or any judicial ruling, governing or applicable to the award.

## Goals and Objectives of this Funding Opportunity

### Goal 1: Identify and serve victims of technology-facilitated abuse.

- **Objective 1: Create a response protocol.** Develop a written protocol that outlines how your organization will assist TFA victims. Include which service providers and community partners are involved in the response, the specific roles and responsibilities of each provider and partner, and when they are engaged in the victim’s case. Example partners may include crisis counselors, legal advocates, technology safety specialists, mental health providers, housing assistance, etc.
- **Objective 2: Deliver direct victim services.** Provide TFA-specific services to victims, which may include privacy management and safety planning (online and offline); assistance with safeguarding digital evidence; support for image and video removal from platforms; crisis intervention and emotional support; mental health services; and referrals.
- **Objective 3: Inform victims of their rights.** Educate and advise victims about their legal rights and available options, which may include crime victims’ rights under federal and state law; legal remedies (e.g., civil protective orders); criminal justice process and victim participation rights; privacy rights and platform policies; and victim compensation programs.

For a description of how awards under this NOFO will contribute to achieving these goals and objectives, see the [Performance Reports](#) section below.

## Expected Outcomes

OJP expects recipients to submit deliverables and performance reports, as described below. Read the [Application Resource Guide](#) for more information. OJP will measure success by reviewing a recipient's submission of performance reports and data and the extent to which project implementation reflects progress toward the goals and objectives of this NOFO.

### Deliverables

Recipients do not need to submit any deliverables other than the standard items in the [Post-Award Requirements and Administration](#) section.

### Performance Reports

OJP requires recipients to submit regular performance reports that communicate progress toward achieving [Program Goals and Objectives](#). Read information on [performance reporting](#).

A list of performance measure questions for this funding opportunity can be found at <https://ovc.ojp.gov/funding/performance-measures/tvs-questionnaire.pdf>.

**Substantial Involvement of Federal Agency:** OJP expects to make some or all awards under this NOFO as cooperative agreements, which allows OJP to have substantial involvement in carrying out the project. Read the [Application Resource Guide](#) for a discussion of this involvement and related award conditions.
