# National Prevention Network Directory

The National Prevention Network (NPN) is a collaborative effort bringing together State representatives. Members of the National Institute on Alcohol Abuse and Alcoholism (NIAAA) and the National Institute on Drug Abuse (NIDA) participate. Through a system of committees, NPN members promote prevention standards, encourage the development of prevention constituencies within each State, and exchange information on current prevention research, techniques, and policies. NIAAA and NIDA provide technical assistance through the dissemination of research findings to NPN members.

Listed in this directory are the representatives designated by each State, the National Association of State Alcohol and Drug Abuse Directors (NASADAD), Prevention Committee co-chairs, and the NIAAA and NIDA liaisons. Because names, addresses, and telephone numbers are subject to change, periodic updates to this listing will be made available. For more information, contact the National Clearinghouse for Alcohol Information, P.O. Box 2345, Rockville, MD 20852, or call (301) 468-2600.
