Employment Data for California Law Enforcement is designed as an information resource for individuals seeking employment in California law enforcement and for reference purposes by law enforcement agencies. CALIFORNIA POLICE AND SHERIFFS' DEPARTMENTS RATIO OF OFFICERS TO POPULATION

IN THIS PUBLICATION POST USES POPULATION ESTIMATES REPORTED AS OF JANUARY 1, 1989 BY THE CALIFORNIA, DEPARTMENT OF FINANCE, POPULATION RESEARCH UNIT.

THE FOLLOWING IS INFORMATION ON THE RATIO OF AUTHORIZED FULL-TIME PEACE OFFICER POSITIONS TO 1,000 POPULATION SERVED. THIS INFORMATION IS BEING FURNISHED AS A RESULT OF THE NUMEROUS REQUESTS RECEIVED BY POST. THIS INFORMATION DOES NOT REFLECT A RECOMMENDATION BY POST THAT THE NUMBER OF OFFICER POSITIONS ALLOCATED SHOULD BE NECESSARILY APPORTIONED TO POPULATION SERVED.

MANY OTHER FACTORS CAN INFLUENCE THE ALLOCATION OF PEACE OFFICER POSITIONS. SOME EXAMPLES ARE: (1) TYPES OF POPULATION SERVED (E.G., ATTRACTION OF TOURISTS AND TRANSIENTS); (2) TYPES AND SERIOUSNESS OF LAW VIOLATIONS AND REQUIRED ENFORCEMENT ACTIONS; (3) SIZE OF AREA SERVED; (4) AVAILABILITY OF REVENUE, ETC.

The background investigation shall be conducted as prescribed in the POST Administrative Manual, Procedure C-1. The background investigation shall be completed on or prior to the appointment date.

- (6) **Education.** Government Code Section 1031(e): Requires high school graduation or passage of the General Education Development Test (GED).

When the GED is used, a minimum overall score of not less than 45, and a standard score of not less than 35 on any section of the test, as established by the American Council on Education, shall be attained.

IMMIGRATION AND PEACE OFFICER CITIZENSHIP REQUIREMENTS

U.S. IMMIGRATION

An alien who wishes to immigrate to the United States must obtain a permanent resident alien visa issued by a U.S. consular official.

To enter the United States with this visa, an alien must qualify under one of six categories of preference listed in the law (e.g., offspring and siblings of U. S. citizens, spouses and unmarried offspring of permanent resident aliens, members of the professions/or persons with exceptional ability in the sciences or arts, laborers for which a shortage exists in the U. S.), or qualify in the non-preference, special immigrant, or immediate relative category. Only a certain percentage of the total number of visas granted can be issued to aliens qualifying under each preference.

Labor Certifications

An alien must obtain a labor certification in specified preference categories, from the Secretary of Labor, establishing that: (a) there are not sufficient able, willing, qualified, and available workers where the alien is to perform the skilled or unskilled labor; and (b) the employment of the alien will not adversely affect the wages and working conditions of workers in the United States similarly employed.

CITIZENSHIP REQUIREMENTS

Government Code Section 1031(a) states that a peace officer shall be a citizen of the United States or a permanent resident alien who is eligible for and has applied for citizenship.

Government Code Section 1031.5 states in part that in order for an alien to be eligible for peace officer employment, he/she is subject to the following:

- o Any permanent resident alien who applies for employment as a peace officer shall have applied for citizenship at least one year prior to his or her application for employment, except that the one-year requirement shall not be applicable to any alien who applies for employment prior to his or her 19th birthday.
- o Any permanent resident alien who is employed as a peace officer shall diligently cooperate with the Immigration and Naturalization Service in the processing of his or her application for citizenship and shall be disqualified from holding that position if, three years after the filing of an application for employment, the person has not obtained citizenship due to failure to cooperate in the processing of the application for citizenship.
- o Any permanent resident alien who is employed as a peace officer shall be disqualified from holding that position if his or her application for citizenship is denied.

WAIVER OF ATTENDANCE
CALIFORNIA POST-CERTIFIED BASIC COURSE
(For individuals with prior law enforcement basic training)

Commission Regulation 1008 and Procedure D-11 implement Penal Code Section 13511(b), which requires POST to provide the opportunity for testing of individuals with equivalent peace officer training, in lieu of completion of a POST-certified Basic Course.

WAIVER ELIGIBILITY

Individuals who have previously completed basic law enforcement training from an approved source may participate in the Basic Course Waiver process. The waiver may be used to meet the training standard for employment in a law enforcement position for which completion of a POST-certified Basic Course is required.

BASIC COURSE WAIVER PROCESS

The three Basic Course Waiver steps are as follows:

1. Training Evaluation

Completed basic and other law enforcement training is evaluated for equivalency with the currently certified Basic Course content and hours. If there is a deficiency in any of the twelve California basic academy functional areas, proof of additional training may be submitted within a specified time period.

2. Written Examination

The written examination is designed to evaluate an individual's knowledge of Basic Course subjects. The written test must be taken within a specified time period. If the test is failed, one re-examination is allowed, which must be completed within a specified time period. If the re-examination is failed, a POST-certified basic course must be successfully completed before peace officer powers can be exercised. The test may be taken in any California city.

3. Skills Testing

Skills testing is designed to evaluate an individuals's manipulative skills as acquired in the Basic Course. Competence in each designated skill area must be demonstrated. Practical skills may be tested either through the Requalification Course or a skills examination, at a basic academy in Northern or Southern California. Skills testing is the same for both the course and the separate exam. Retesting is available and must be completed within a specified period.

Upon completion of the Basic Course Waiver process, POST will issue a Waiver of Attendance of a POST-Certified Basic Course. The waiver is valid for three years. Agency sponsorship is not required.

OTHER OPTIONS

A person who has completed equivalent training other than the POST Basic Course must complete the Basic Course Waiver process or the POST Basic Course.

A person who has completed the POST Basic Course, and: (1) Has not been employed for over three years or, (2) Has not been employed as a California peace officer, must complete **either** the Requalification Course, the BCW process, or the POST Basic Course. Under prescribed circumstances, persons who possess a California POST Basic Certificate may qualify for an exemption, as described in Commission Procedure D-11-12.

For additional information about the Basic Course Waiver process or the Requalification Course, please contact POST at 1601 Alhambra Boulevard, Sacramento, CA 95816-7083.

POST CERTIFICATE PROGRAM

Professional certificates are presented by the Commission in recognition of achievement of education, training, and experience. The purpose of this program is to raise the level of competence of law enforcement officers, and to foster cooperation among the Commission, agencies, groups, organizations, jurisdictions, and individuals.

The Commission awards six professional certificates in regular and specialized categories: Basic, Intermediate, Advanced, Supervisory, Management, and Executive Certificates.

ELIGIBILITY

To be eligible for the award of a Regular Program Certificate, an applicant must currently be a full-time peace officer regularly employed and paid as such in a California agency participating in the POST Program, and have satisfactorily completed the Basic Course listed in PAM, Section D-1-3.

To be eligible for the award of a Specialized Law Enforcement Certificate, an applicant must currently be a full-time peace officer regularly employed and paid as such in a California agency participating in the POST Program, and have satisfactorily completed a Specialized Basic Course listed in PAM, Section D-1.

APPLICATION REQUIREMENTS

Each applicant must attest that he/she subscribes to the Law Enforcement Code of Ethics. The department head must attest that the individual has satisfactorily completed probation (Basic Certificate requirement only), was employed in compliance with prescribed minimum selection standards, is of good moral character, and is worthy of the award.

BASIC CERTIFICATE REQUIREMENTS

Commission Procedure F-1 sets forth the requirements for award of all POST certificates. In addition to those requirements already listed above, applicants for the award of the Basic Certificate must:
