Dear Citizens of Huron County:

I am pleased to provide you with this Annual Report of the Huron County Juvenile Court for 1990, which includes data required by O.R.C. Section 2151.18, and then some.

1990 was another busy year for the Juvenile Division of the Court of Common Pleas. From 1982 to 1990, the workload of the Court has steadily increased. For example, during that given period, the number of hearings and trials has increased by 104%, and the number of cases by 65%. I can tell you that the complexity and intensity of the cases has also increased. Through computerization, planning, and new programming, we have been able to limit the increase in general fund expenditures to an increase of 35%.

However, 1991 is a watershed year in which major changes will be necessary in resources and office space to keep pace of the growing workload. On January 24, 1991, I formally asked the Board of Huron County Commissioners to make more space available within the Courthouse for the operations of the Juvenile and Probate Divisions of the Court by May 1, 1991. On March 14, 1991, I clarified that request, and asked that the entire first floor of the Courthouse be vacated of other offices, and that the resulting vacated space be remodeled exclusively for Probate and Juvenile Court uses. I reasoned that the entire second floor of the Courthouse is already remodeled and used exclusively for the functions of the General Division, Judge White's Court, and since both Courts were of equal size and responsibility, that equal space should be provided this Court. This will result in major changes for the other affected offices, and they have been diligently planning for, and are accepting that the move would be good and necessary. Among other factors, consider that the last major reordering of space in the Courthouse was in 1912 when the current Courthouse was built. The 1910 U.S. Census showed 34,206 people living in Huron County, and the 1990 U.S. Census estimate is 56,000 people. Consider also that crime and conflict has increased even more rapidly than our population. I am confident that moving the offices of the Auditor, Treasurer, and Recorder to another location in downtown Norwalk, and the remodeling of the vacated space for the Court, can be done without raising taxes, and with an increase in the efficiency of the public services these offices provide.

Be aware also that other recent initiatives of the Court continue. The volunteers in the Guardian ad Litem Program continue to aid the Court in its responsibility to quicken the return of abused, dependent, and neglected

children to a stable, natural family placement. The Court continues to play an important role as the "convener" of the "Collaborative for the '90's", the Huron County community response to the problems of alcohol and other drugs of abuse. Alcohol and drug abuse continue to be major problems for all of the children and families of the Huron County community. I feel that the Court must do more than just react to the cases coming before it. The Court has a leadership role in helping the community develop prevention strategies.

For the first time in history, the Court found it necessary to hire a full-time Referee to aid in judicial and administrative chores. Efforts at further computerization will continue to aid the efficiency of the existing staff, resulting in a minimization of further staff expansion.

Very truly yours,

A handwritten signature in dark ink, appearing to read "Thomas E. Heydinger". The signature is fluid and cursive, with the first name "Thomas" and last name "Heydinger" clearly distinguishable.

GLOSSARY OF TERMS

(Section 2151.022B1 ORC)

DELINQUENT CHILD includes any child: (A) who violates any law of this state, the United States, or any ordinance or regulation of a political subdivision of the state, which would be a crime if committed by an adult, except as provided in section 2151.021 of the Revised Code; (B) who violates any lawful order of the Court made under this chapter. A child who, in lieu of medical or surgical care or treatment for a wound, injury, disability, or physical or mental condition, is under spiritual treatment through prayer in accordance with the tenets and practices of a well-recognized religion, is not a neglected child for this reason alone. (Section 2151.03 ORC)

ABUSED CHILD includes any child who: (A) is the victim of "sexual activity" as defined under Chapter 2907. of the Revised Code, where such activity would constitute an offense under that chapter, except that the court need not find that any person has been convicted of the offense in order to find that the child is an abused child; (B) is endangered as defined in section 2919.22 of the Revised Code, except that the court need not find that any person has been convicted under that section in order to find that the child is an abused child; (C) exhibits evidence of any injury or death, inflicted other than by accidental means, or an injury or death which is at variance with the history given of it, except that a child exhibiting evidence of corporal punishment or other physical disciplinary measure by a parent, guardian, custodian, persons having custody or control, or person in loco parentis of a child is not an abused child under this division if the measure is not prohibited under section 2919.22 of the Revised Code. (Section 2151.031 ORC)
