FOREWORD

The information contained in this document has been assembled by the Education Section, Texas Commission on Law Enforcement Officer Standards and Education, through the cooperation of participating institutions in the State of Texas. In a few instances the responding institution failed to furnish information requested. These instances are noted with an asterisk (*no response)

It is hoped that the publication of this document will prove valuable to existing programs by supplying a comparison base against which their programs can be evaluated.

Semester by semester comparisons of the contained information are maintained at the Commission office and are available on request.

Notes of explanation, indicated by footnotes, are included as indicated. When the list of instructors is too long for inclusion, this information is available on request from the Commission.

The prompt cooperation of contributing institutions is gratefully acknowledged.
