PREFACE

Employment Data for California Law Enforcement is designed as an information resource for individuals seeking employment in California law enforcement and for reference purposes by law enforcement agencies. This document includes information on agency size, staffing, entry requirements, compensation ranges, and benefits for fiscal years 1991/92 and 1992/93.

Sections include agency selection standards and training requirements, employment distribution and data, and agency and basic academy addresses for California law enforcement. Commentary on the Basic Course Waiver Examination is provided for use by out-of-state peace officers, or former California peace officers seeking to return to law enforcement employment after a three-year break in service. Also included is information on P. C. 832 training and requalification requirements, the minimum standards for employment, the POST certificate program, and peace officer citizenship requirements.

The Commission expresses its special appreciation to all the law enforcement agencies that provided data for this document. We are confident that the information contained herein will be useful to all concerned.

Information**

MINIMUM STANDARDS FOR EMPLOYMENT

COMMISSION REGULATION 1002

- (a) Every peace officer employed by a department shall be selected in conformance with the following requirements:

- (1) Felony Conviction. Government Code Section 1029: Limits employment of convicted felons.
- (2) Fingerprint and Record Check. Government Code Section 1030 and 1031(c): Requires fingerprinting and search of local, state, and national files to reveal any criminal records.
- (3) Citizenship. Government Code Section 1031(a) and 1031.5: Specifies citizenship requirements for peace officers.
- (4) Age. Government Code Section 1031(b): Requires minimum age of 18 years for peace officer employment.
- (5) Moral Character. Government Code Section 1031(d): Requires good moral character as determined by a thorough background investigation.

The background investigation shall be conducted as prescribed in the POST Administrative Manual, Procedure C-1. The background investigation shall be completed on or prior to the appointment date.

- (6) Education. Government Code Section 1031(e): Requires high school graduation, passage of the General Education Development Test (GED), or attainment of a two-year or four-year degree from an accredited college or university.

When the GED is used, a minimum overall score of not less than 45, and a standard score of not less than 35 on any section of the test, as established by the American Council on Education, shall be attained.

- (7) Physical and Psychological Suitability Examinations. Government Code Section 1031(f): Requires an examination of physical, emotional, and mental conditions.

The examinations shall be conducted as prescribed in the POST Administrative Manual, Section C-2.

- (8) Interview. Be personally interviewed prior to employment by the department head or a representative(s) to determine the person's suitability for police service, which includes, but is not limited to, the person's appearance, personality, maturity, temperament, background, and ability to communicate. This regulation may be satisfied by an employee of the department participating as a member of the person's oral interview panel.

- (9) Reading and Writing Ability. Be able to read and write at the levels necessary to perform the job of a peace officer as determined by the use of the POST Entry-Level Law Enforcement Test Battery or other job-related tests of reading and writing ability.

- (b) All requirements of Section 1002 of the Regulations shall apply to each lateral entrant, regardless of the rank to which the person is appointed, unless waived by the Commission.

IMMIGRATION AND PEACE OFFICER CITIZENSHIP REQUIREMENTS

U.S. IMMIGRATION

An alien who wishes to immigrate to the United States must obtain a permanent resident alien visa issued by a U.S. consular official.

To enter the United States with this visa, an alien must qualify under one of six categories of preference listed in the law (e.g., offspring and siblings of U. S. citizens, spouses and unmarried offspring of permanent resident aliens, members of the professions/or persons with exceptional ability in the sciences or arts, laborers for which a shortage exists in the U. S.), or qualify in the non-preference, special immigrant, or immediate relative category. Only a certain percentage of the total number of visas granted can be issued to aliens qualifying under each preference.

Federal law specifies that a permanent resident alien shall have lived in the United States for a minimum of five years before being eligible to apply for citizenship.

Labor Certifications

An alien must obtain a labor certification in specified preference categories, from the Secretary of Labor, establishing that: (a) there are not sufficient able, willing, qualified, and available workers where the alien is to perform the skilled or unskilled labor; and (b) the employment of the alien will not adversely affect the wages and working conditions of workers in the United States similarly employed.

CALIFORNIA CITIZENSHIP REQUIREMENTS

California Government Code Section 1031(a) states that a peace officer shall be a citizen of the United States or a permanent resident alien who is eligible for and has applied for citizenship.

California Government Code Section 1031.5 states in part that in order for an alien to be eligible for peace officer employment, he/she is subject to the following:

- Any permanent resident alien who is employed as a peace officer shall diligently cooperate with the Immigration and Naturalization Service in the processing of his or her application for citizenship and shall be disqualified from holding that position if, three years after the filing of an application for employment, the person has not obtained citizenship due to failure to cooperate in the processing of the application for citizenship.
- Any permanent resident alien who is employed as a peace officer shall be disqualified from holding that position if his or her application for citizenship is denied.

**WAIVER OF ATTENDANCE
CALIFORNIA POST-CERTIFIED BASIC COURSE
(For individuals with prior law enforcement basic training)**

The Commission may waive attendance at a California basic academy when an individual's prior law enforcement training is determined by POST to be equivalent to POST-required basic training.

There are two peace officer basic training standards. One standard is the general subject Basic Course; the other is the Specialized Basic Investigators Course. A waiver is available for each training standard. Although the subject content for each course differs, the waiver process is the same.

The Basic Course Waiver process consists of three steps:

1. Training Evaluation

The applicant's previously completed basic academy and other law enforcement classroom training is evaluated for equivalency with hourly minimums for each subject area of the POST Basic Course.

2. Written Examination

The written examination tests the applicant's knowledge of current basic course curriculum.

3. Skills Testing

The applicant must demonstrate proficiency in various critical skills required for officer safety.

Fees are charged, retesting is available, and each step must be completed within a specified time. Upon successful completion of the three steps, the Commission will issue a waiver of attendance at the appropriate POST-certified Basic Course. The waiver is valid for three years; the individual must become employed as a California peace officer within three years of the waiver date.

BASIC COURSE REQUALIFICATION REQUIREMENTS

An individual who completes the appropriate California POST Basic Course or Basic Course Waiver (BCW) process, and: 1) has a three year or longer break in service as a California peace officer; or 2) does not become employed as a California peace officer within three years of course completion, must requalify as to the knowledge of basic course subjects. An individual may requalify by completing the Requalification Course, the BCW process, or the POST Basic Course. Under prescribed circumstances, an individual who possess a California POST Basic Certificate may qualify for and request an exemption from this requirement, as described in Commission Procedure D-11-12.

ARREST AND FIREARMS (P.C. 832) TRAINING AND REQUALIFICATION REQUIREMENTS

The Arrest and Firearms (P.C. 832) Course is required for all peace officers, except those who must complete a basic course, prior to exercising peace officer powers.

TRAINING REQUIREMENTS

The 64-hour Arrest and Firearms (P.C. 832) Course training is presented in two sections: (1) Arrest Course (40 hours); and (2) Firearms Course (24 hours)

Satisfactory Arrest and Firearms (P.C. 832) Course completion is predicated upon passing three POST-developed or POST-approved examinations: a written examination and an arrest techniques skills examination for the Arrest Course and a firearms skill examination for the Firearms Course.

NOTE: A peace officer whose employing agency prohibits the use of firearms is not required to train or requalify in the carrying and use of firearms.

REQUALIFICATION REQUIREMENTS

An individual who completes the Arrest and Firearms P.C. 832 Course, and: (1) has a 3-year or longer break in service as a California peace officer, or (2) does not become employed as a California peace officer within 3 years of course completion, must requalify as to the knowledge of firearms and/or arrest subjects prior to exercising of peace officer powers.

An individual may requalify by completing either the Arrest and Firearms (P.C. 832) Course or P.C. 832 Requalification Testing. P.C. 832 Requalification Testing is comprised of the same examinations required for the Arrest and Firearms (P.C. 832) Course, and will be administered by selected P.C. 832 Course presenters throughout California.

EXEMPTIONS

The requalification requirement does not apply to an individual who: (1) is returning to a law enforcement management position at the second level of supervision or higher, (2) has successfully requalified for a POST Basic Course, (3) has maintained proficiency through teaching the P.C. 832 Course, or (4) was continuously employed as a law enforcement officer in another state or at the federal level during the break in California service.

FOR ADDITIONAL INFORMATION

The Basic Course Waiver process and Requalification Course are provided for in Commission Regulation 1008 and Procedure D-11, which implement Penal Code Section 13511(b). P.C. 832 Course testing and requalification requirements are provided for in Commission Regulation 1080 which implements Penal Code Section 832. For additional information about the Basic Course Waiver process, the Requalification Course, or the P.C. 832 Training and Requalification Requirements, please contact the Basic Training Bureau, POST, 1601 Alhambra Boulevard, Sacramento, CA 95816-7083.

POST CERTIFICATE PROGRAM

Professional certificates are awarded by the Commission in recognition of achievement of education, training, and experience. The purpose of this program is to raise the level of competence of law enforcement officers, and to foster cooperation among the Commission, agencies, groups, organizations, jurisdictions, and individuals.

Qualified peace officers currently employed by agencies which participate in the POST Program may make application through their employing agencies for POST certificates. The Commission awards six professional certificates in regular and specialized categories: Basic, Intermediate, Advanced, Supervisory, Management, and Executive Certificates. Eligible reserve officers and public safety complaint dispatchers may apply for their respective certificates through their POST Program member agency.

The POST Basic Certificate is the first certificate available to a peace officer and is mandated by law. To be eligible for this certificate, the peace officer must complete the required training and the employing agency must attest that the agency's probationary period has been completed.

The Intermediate and Advanced certificates may be awarded as the peace officer achieves additional training, education, and experience. As an officer excels in rank, the Supervisory, Management, and Executive certificates may be awarded upon completion of the required rank tenure, specified training course, college education, and possession of or eligibility to possess a prerequisite certificate.

The Reserve Officer Certificate may be awarded to reserve officers who meet specified training, job assignment, and general law enforcement experience requirements.

The Public Safety Dispatcher Certificate may be issued upon completion of the required training and agency probationary period.

Possession of a professional certificate is used as a selection criteria by some agencies for lateral entry, promotions, and pay incentives.
