FOREWORD

The Office of Criminal Justice Planning (OCJP) is the lead agency for the coordination of anti-gang efforts in California. Towards this end, OCJP maintains a Statewide Clearinghouse of Information on Anti-Gang Efforts which is administered by the Gang Violence Suppression (GVS) Branch. The GVS Branch has compiled the following series of computerized mailing lists of all known anti-gang efforts in the state regardless of funding source. In order to allow these lists to be updated on an ongoing basis, no effort has been made to typeset this document. To the best of our knowledge, these lists are current as of June 7, 1994. The entries in these lists are listed in zip code order, or listed by county in zip code order, and are to be read from left to right down the page.

Since this document is a compilation of computerized mailing lists, all of these lists can be provided in a variety of forms. These lists can be provided as mailing labels or on computer disk. Please feel free to make additional copies of these lists.

We hope that you find this information of benefit to you in your efforts to network and coordinate with other agencies, and in stemming the rising tide of gang violence in your communities. If you would like to have your anti-gang effort added to these lists, or would like to request one or more of these lists in a different format, please call Kirby Everhart, Chief, Gang Violence Suppression Branch, at (916) 327-8704.

Sincerely,

RAY JOHNSON
Executive Director
