INTRODUCTION

This section of the LIBRARY BOOK CATALOG of the Law Enforcement Assistance Administration, Drug Enforcement Administration, Federal Bureau of Prisons, and the National Criminal Justice Reference Service is divided into two parts.

The first part contains the titles of periodicals received by the four libraries as of December 1974.

The second part is a listing of criminal justice periodicals and sources that may be of interest to potential users.

Each entry in part one has at least two lines. The first line contains the title of the periodical. The second line shows the library holding the periodical. The following abbreviations are used for the four libraries:

DC: Law Enforcement Assistance Administration

FBP: Federal Bureau of Prisons

BND: Drug Enforcement Administration

NCJ: National Criminal Justice Reference Service

We gratefully acknowledge the contributions of the participating libraries and the support within the Law Enforcement Assistance Administration that made the preparation and publication of this catalog possible.
