M. James Gleason  
Chairman, Board of County Commissioners  
Multnomah County

The second edition of the Metropolitan Youth Commission Directory of Youth Programs and Services within Portland and Multnomah County offers a complete revision and many new program listings. We have also included Metropolitan County programs providing additional resources for the users of this Directory.

A short statement of purpose has been included with each listing. This statement is useful only as a guide and does not give a complete indication of the total function of that program or service.

The listing of a program or service in this Directory is for information only. It does not imply quality of programs or services, or Metropolitan Youth Commission endorsement. For further information relating to this catalog or additional copies, contact the Metropolitan Youth Commission, 248-4005.

We appreciate the contributions of Mary Berreth, Jill Randall, Sherry Kohring, Janis Pearson, Helen Catlin and the entire Volunteer Board and staff of the Metropolitan Youth Commission: Ione Clair, Rabbi Yonah Geller, Dr. Don James, Nathan Nickerson, George Oberteuffer, Dean Phillips, Patricia Riedel, Rev. Randy Roth, Donorval Tate, Paul Bloom, Sarah Newhall and Diane Lettau.

The Directory is divided into two sections. The first section includes a comprehensive listing of youth programs and services within Multnomah County and Portland with an alphabetical index.

The second section (following the alphabetical index) offers a resource list of programs and services within Clackamas, Clark, Columbia and Washington Counties.
