INTRODUCTION

The third volume of the AUTHOR CATALOG adds several thousand entries to the more than 8,000 authors listed in the first two volumes of the catalogs dated December 1972 and December 1974. It also contains the entries found in the supplement to the AUTHOR CATALOG issued in December 1975. The author entries cover broad areas of crime, law enforcement, criminal justice, prisons, rehabilitation, narcotics and dangerous drugs that have been classified from over 12,000 books and documents in the holdings of the libraries of the Law Enforcement Assistance Administration, Drug Enforcement Administration, and the Federal Bureau of Prisons. The holdings of the agencies' libraries have been combined in the LIBRARY BOOK CATALOG published in four separately bound volumes subtitled: AUTHOR CATALOG, TITLE CATALOG, SUBJECT CATALOG and PERIODICALS CATALOG.

Volumes 1 and 2 of the catalogs, published in 1972 and 1974, are for sale by the Superintendent of Documents, US Government Printing Office, Washington, DC 20402*. Order catalogs by title and stock number, and enclose remittance (check or money order) payable to the Superintendent of Documents.

The cumulative listing of the holdings of the libraries referenced in the three catalogs are available for loan. Please follow standard inter-library loan procedures in requesting the use of books and documents.
