

Department of Health and Social Security Library

Selected references on child abuse 1968-1975

Compiled by A B Cooper and S M Rugg

January 1975

(Bibliography Series, No.B2)

A Books and reports

- 60672
- B2/1 BATH. City Council. Social Services Department, and BATH. City Council. Health Department. Battered babies: the role of the Bath Consultative Committee for those in contact with concealed parental violence. Bath, Social Services Department and Health Department, 1974, 8pp
Outlines the work of the multi-disciplinary consultative committee concerned with child abuse, set up in Bath in 1970.
- B2/2 CARTER, Jan, editor. The maltreated child. Priory Press, 1974, 159pp. £2.95.
- B2/3 CASTLE, R.L. Battered children: myth and reality ~ some problems of providing service. National Society for the Prevention of Cruelty to Children, 1973, 110pp, £0.15.
- B2/4 CASTLE, R.L. and KERR, A.M. A study of suspected child abuse. National Society for the Prevention of Cruelty to Children, 1972, 19pp. £0.50.
The second major publication of the N.S.P.C.C's Battered Child Research Department; 292 cases of suspected child abuse were examined.
- B2/5 CENTRAL HEALTH SERVICES COUNCIL. Standing Medical Advisory Committee. The battered baby. Department of Health and Social Security, 1970.
- B2/6 DE FRANCIS, V. and LUCHT, C.L. Child abuse legislation in the 1970's. Revised edition. Denver, American Humane Association, Children's Division, 1974, v,200pp. £2.50.
- B2/7 DEPARTMENT OF HEALTH AND SOCIAL SECURITY. The "battered baby" syndrome: an analysis of reports submitted by Medical Officers of Health and Children's Officers. Department of Health ... 1972. 10pp.
Enclosure to LASSL 26/72.
- B2/8 DEPARTMENT OF HEALTH AND SOCIAL SECURITY. Committee of Inquiry into the Care and Supervision Provided in Relation to Maria Colwell. Report ... (Chairman: T.G. Field-Fisher) H.M.S.O., 1974. 120pp. £1.00.
- B2/9 DEPARTMENT OF HEALTH AND SOCIAL SECURITY. Memorandum on non-accidental injury to children. D.H.S.S., 1974, 5pp.
Enclosure to circulars LASSL(74)13, and CMO(74)8.

A Books and reports (continued)

- B2/10 FRANKLIN, Alfred White, editor. Concerning child abuse: papers presented by the Tunbridge Wells Study Group on non-accidental injury to children. Churchill Livingstone, 1975, 189pp. £5.50.
- B2/11 FRANKLIN, A.W., compiler. The Tunbridge Wells study group on non-accidental injury to children: report and resolutions. Spastics Society Medical Education and Information Unit, 1973, iii, 22pp.
The meeting was sponsored by the Medical Education and Information Unit of the Spastics Society.
- B2/12 HALL, M.H. The battered baby syndrome - non-accidental injuries in children. In: Royal Society for the Promotion of Health, 79th annual congress, April, 1972: papers for discussion in sessions; pp.97-102.
- B2/13 HELFER, R.E. and KEMPE, C.H. editors. The battered child. 2nd edition. Chicago and London, University of Chicago Press, 1974, 262pp. £7.50.
- B2/14 HOWELLS, J.G. Remember Maria. Butterworths, 1974, 117pp. £0.55.
Sets out to examine the basic ideas of child care, revealing what the author claims to be the misconceptions that lie behind dangerous and destructive practices.
- B2/15 KEMPE, C.H. and HELFER, R.E., editors. Helping the battered child and his family. Philadelphia, J.B. Lippincott, 1972, xxii, 313pp. £4.25.
- B2/16 LEAVITT, J.E., editor. The battered child: selected readings. Morristown, N.J., General Learning Press, 1974, 268pp. £3.85.
A bibliography, mostly of American publications, occupies pp.256-263.
- B2/17 NATIONAL SYMPOSIUM ON CHILD ABUSE, Rochester, N.Y. A collection of papers presented ... to explore on an interdisciplinary basis the problems of child abuse and sexual exploitation of children. Denver, American Humane Association, Children's Division, 1972, 72pp. \$1.00.
- B2/18 OKELL, Carolyn. The battered baby syndrome; recent research and implication for treatment. In: Royal Society for the Promotion of Health, 79th annual congress, April, 1972: papers for discussion in sessions; pp.89-95.
- B2/19 OLIVER, J.E. and others. Severely ill-treated young children in north-east Wiltshire. Oxford, Oxford University, Unit of Clinical Epidemiology, Oxford Regional Health Authority, and Oxford Record Linkage Study, 1974, iii, 82pp. (Research Report No.4).
A clinical and epidemiological study which attempted an intensive assessment of the extent of severe child abuse in a defined population.

A Books and reports (continued)

- B2/20 RENVOIZE, J. Children in danger: the causes and prevention of baby battering. Routledge & Kegan Paul, 1974, x, 193pp. £2.50.
- B2/21 SCOTTISH HEALTH SERVICES COUNCIL. Standing Medical Advisory Committee. The battered child [Edinburgh] Scottish Office, 1971.
- B2/22 SKINNER, Angela E. and CASTLE, Raymond L. 78 battered children: a retrospective study. National Society for the Prevention of Cruelty to Children, 1969.

B Periodical articles

- B2/23 AVERY, J.C. The battered child: a shocking problem. Mental Hygiene, Albany, N.Y., 1973, vol.57, no.2, pp.40-43.
- B2/24 BIRD, H. Battered babies: a social and medical problem. Nursing Times, London, 1973, Nov.22, vol.69, no.47, pp.1552-1554.
- B2/25 BOISVERT, M.J. The battered-child syndrome. Social Casework, New York, 1972, Oct., vol.53, no.8, pp.475-480.
Report based on a study which aimed at the formulation of a typology for classification and treatment, as an aid in casework planning.
- B2/26 BRIGGS, A. Help for frightened parents. General Practitioner, London, 1972, Nov.3, pp.11,20.
The work of the NSPCC research unit.
- B2/27 BROECK, E.T. The Extended Family Center: "A home away from home" for abused children and their parents. Children Today, Washington, D.C., 1974, March/April, vol.3, no.2, pp.2-6.
The Extended Family Center is a research and demonstration project in San Francisco for the treatment of abused children and their parents.
- B2/28 BURLAND, J.A., ANDREWS, R.G. and HEADSTEN, S.J. Child abuse: one tree in the forest. Child Welfare, New York, 1973, Nov., vol.52, no.9, pp.585-592.
Reports a review of the records of 28 children who experienced parental abuse or severe neglect.
- B2/29 BURT, M.R. and BALYEAT, R. A new system for improving the care of neglected and abused children. Child Welfare, New York, 1974, March, vol.53, no.3, pp.167-179.
A demonstration programme of a system for co-ordinating the wide variety of services provided has produced many gains in the handling of such cases notably the avoidance of institutionalization of many of the children.
- B2/30 CAMPS, F. Sudden deaths in infants. Midwife and Health Visitor, London, 1973, April, vol.9, no.4, pp.113-116.

B Periodical articles (continued)

- B2/31 CAVENAGH, W E. Battered baby cases in the courts. Justice of the Peace, Chichester, 1974, Jan.19, vol.138, no.3, pp.30-33.
- B2/32 CHURVEN, H. Battered babies' parents. Hospital and Health Care and Administration, Prahan, Victoria, 1973, May, vol.3, no.5, pp.11-13.
- B2/33 COLCLOUGH, I.R. Victorian government's report on child abuse: a reinvestigation. Medical Journal of Australia, Sydney, 1972, Dec.30, vol.ii, no.27, pp.1491-1497.
Compares a recent survey in 16 hospitals with the committee's 1967 survey in seven hospitals.
- B2/34 COURT, J. Battered babies. Health Visitor, London, 1969, Dec., vol.42, no.12, pp.462-463.
- B2/35 COURT, Joan. The battered child. Medical Social Work, 1969, April, vol.22, pp.11-20.

- B2/70 McRAE, K.N., FERGUSON, C.A. and LEDERMAN, R.S. The battered child syndrome. Canadian Medical Association Journal, Ottawa, 1973, April 7, vol.108, no.7, pp.859-860, 863-866.
A survey in Winnipeg.
- B2/71 MANNING, M. What makes a baby batterer? Community Care, London, 1974, Oct., no.27, pp.12-16.
- B2/72 MARTEL, S. The battered child syndrome. Family Service Units, London, 1974, Jan.15, no.6, pp.15-21.
- B2/73 MEDICAL SOCIETY OF THE COUNTY OF NEW YORK. Symposium on child abuse. Pediatrics, Evanston, Ill., 1973, April, vol.51, no.4, suppl. pp.771-812.
- B2/74 NAZZARO, J. Child abuse and neglect. Exceptional Children, Washington, 1974, Feb., vol.40, pp.351-354.
- B2/75 New centre will help 'at risk' child and his family. Community Care, London, 1974, Nov.6, no.32, p.5.
Reports the opening of Denver House, the NSPCC's national data and research centre on child abuse.
- B2/76 NEWBERGER, E.H. and others. Reducing the literal and human cost of child abuse: impact of a new hospital management system. Pediatrics, Evanston, Ill., 1973, May, vol.51, no.5, pp.840-848.
Integration of social workers from one public and two voluntary agencies into a consultation group in a children's hospital led to a reduction in the actual cost of medical services and the risk of re-injury subsequent to the diagnosis of child abuse.

B Periodical articles (continued)

- B2/77 NEWCASTLE UPON TYNE. UNIVERSITY. DEPARTMENT OF CHILD HEALTH.
Non-accidental injury in children. British Medical Journal,
London, 1973, Dec.15, vol.iv, pp.656-660.
A guide on management with an introductory comment from the
British Paediatric Association and British Association of
Paediatric Surgeons.
- B2/78 NORMAN, M. A lifeline for battering parents. Nursing Times, London,
1974, Sept.26, vol.70, no.39, pp.1506-1507.
Discusses the health visitor's contribution to the prevention
of child abuse.
- B2/79 OKELL, Carolyn and BUTCHER, C.H.H. The battered child syndrome.
Law Society's Gazette, 1969, Sept., vol.66, no.9, pp.587-589.
- B2/80 OKELL, Carolyn. The battered child: a tragic breakdown in parental
care? Midwife and Health Visitor, 1969, June, vol.5, no.6,
pp.235-240.
- B2/81 OKELL, C. Childhood accidents and child abuse: an attempt at early
diagnosis of inflicted injuries in a sample of young children
attending two casualty departments. Community Medicine, London,
1971, Aug.20, vol.126, no.8, pp.124-127.
An exploratory study of 45 cases.
- B2/82 OLIVER, J.E. and COX, J.. A family kindred with ill-used children: the
burden on the community. British Journal of Psychiatry, London,
1973, July, vol.123, no.572, pp.81-90.
- B2/83 OLIVER, J.E. and TAYLOR, A. Five generations of ill-treated children in
one family pedigree. British Journal of Psychiatry, London, 1971,
Nov., vol.119, no.552, pp.473-480.
- B2/84 OPPE, T.E. Battered babies. Health Trends, London, 1972, Nov., vol.4,
no.4, pp.74-76.
- B2/85 OUNSTED, C., OPPENHEIMER, R. and LINDSAY, J. Aspects of bonding failure:
the psychopathology and psychotherapeutic treatment of families of
battered children. Developmental Medicine and Child Neurology,
Tadworth, 1974, Aug., vol.16, no.4, pp.447-456.
- B2/86 OUSTON, J. Non-accidental injuries in children: a research abstract.
National Children's Bureau Information Service Highlight, 1973,
no.7, 2pp.
- B2/87 PARRY, W.H. and SEYMOUR, M.W. Epidemiology of battered babies in
Nottingham. Community Medicine, London, 1971, Aug.20, vol.126,
no.8, pp.121-123.
A report on 13 children with injuries and 19 'at risk' families.
- B2/88 ROBB, D. Cruelty begins at home. World Medicine, London, 1973,
Nov.28, vol.9, no.5, pp.101-102.
- B2/89 SANDERS, R.W. Resistance to dealing with parents of battered children.
Pediatrics, Evanston, III., 1972, Dec., vol.50, no.6, pp.853-857.

B Periodical articles (continued)

- B2/90 SANDGREN, A., GAINES, R.W. and GREEN, A.H. Child abuse and mental retardation: a problem of cause and effect. American Journal of Mental Deficiency, Albany, N.Y., 1974, Nov., vol.79, no.3, pp.327-330.
- B2/91 SCHMIDBERG, M. Child violence: a guide to better recognition by SWs. Social Worker & Community Care, London, 1974, Sept.5, vol.3, no.118, p.5.
- B2/92 SCOTT, P.D. Battered wives. British Journal of Psychiatry, London, 1974, Nov., vol.125, pp.433-441.
Includes an examination of the relationship between wife battering and baby battering.
- B2/93 SCOTT, P.D. Fatal battered baby cases. Medicine, Science and the Law, Bristol, 1973, July, vol.13, no.3, pp.197-206.
Also in Social Work Service, London, 1974, July, no.4, pp.12-21.
- B2/94 SCOTT, P.D. Parents who kill their children. Medicine, Science and the Law, Bristol, 1973, April, vol.13, no.2, pp.120-126.
