INTRODUCTION

In October of 1976, Act 872 passed both houses of the Alabama Legislature creating and establishing the Alabama Criminal Justice Information Center (ACJIC) which is commissioned to collect, store, retrieve, analyze, and disseminate criminal justice data. Inherent in ACJIC is a "uniform crime reporting system for the periodic collection and analysis of crimes reported to any and all criminal justice agencies within the state." (ACT 872, § 9, 1975)

As a result of Act 872, 1976 was the first year that mandatory reporting was required of law enforcement agencies in Alabama; prior to 1976, law enforcement agencies participated in the FBI's Uniform Crime Reporting System (UCR) on a voluntary basis. Mandatory submission resulted in a 185% increase in reporting over 1975.

The crime data in these crime by county reports were submitted by Alabama agencies participating in the UCR program. Rates were computed for the county as a whole.

This report includes crime data for the State of Alabama for 1976 through 1980.
