

## Audiovisual Materials Circulation Policy and Procedures

1. Films and tapes may be requested by phone or in writing. The desired showing date and an alternate must be specified. NCJRS does not guarantee that a film will be available for the dates requested.
2. No admission can be charged when films or other materials are shown.
3. Films and tapes cannot be copied, nor shown on any form of television.
4. The patron must complete the usage report card accompanying each borrowed item.
5. The patron is responsible for the damage or loss of a film or tape in his possession and will be billed for repair or replacement.
6. The patron must not attempt to repair damaged film, but should return it as is and indicate the nature and extent of the damage.
7. The due date for receipt of the film or tape by NCJRS is specified on the booking confirmation slip and shipping container. A \$3.00 per day fine will be assessed for not returning an item by the due date (at least 7 days after the showing date).
8. Films and tapes must be shipped by United Parcel Service or certified U.S. mail. All must be insured for the value indicated on the information card included with each order.
9. Advance payment of the shipping and maintenance charge for a film or tape is required. Payment may be made by check or money order or with a VISA or MasterCard charge card, or from an NCJRS deposit account. Purchase orders will be accepted only from government agencies.

## I. How To Use This Listing

The 1983 edition of Audiovisual Materials includes some 380 citations for films and videotapes in the National Institute of Justice/NCJRS Collection. These materials include not only the audiovisual holdings available in the past from NCJRS, but also new titles which were listed in the NCJRS data base but were not available for borrowing. Making this listing even more extensive are the holdings of the Motion Picture and Television Branch of the former Law Enforcement Assistance Administration—holdings now transferred to the Audiovisual Program of the National Institute of Justice/NCJRS.

Entries in this catalog are arranged in four sections by format. These formats are 16mm film, 1-inch reel-to-reel videotape (IVC format), 3/4-inch videocassette, and 1/2-inch reel-to-reel videotape. Items are listed in descending NCJ number order within each section, except within a series of tapes, where we have reversed the order to ensure that the tapes follow in sequence. To facilitate using this listing, comprehensive subject, title, and NCJ number indexes are included. The NCJ number is the last five digits of the accession number.

All items in this catalog may be borrowed from NCJRS through the Audiovisual Program for a \$25 service fee, which covers the costs of shipping, handling, and maintenance. Each item is marked with an NCJ number. Many items include more than one tape or film. Because use of the 1-inch and 1/2-inch formats is becoming increasingly uncommon, NCJRS will transfer material on these tapes to 3/4-inch videocassettes for lending purposes for a fee of \$10 per tape.

Opposite this page are the policies of the Audiovisual Program. On the inside back cover are instructions on How To Book Audiovisual Materials for your training and education needs. Order forms are also included.

## How To Book Audiovisual Items

1. Select the desired title or titles from those cataloged on preceding pages. Note the five-digit NCJ number and at least the first several words of the title. The last 5 digits of the accession number are the NCJ number.
2. Note also the format of the requested item(s) as stated in the catalog.
3. Select your showing date. Orders must be received at least 3 weeks ahead of the showing date, 5 weeks when tapes are to be transferred to videocassettes. In the case of phone orders, payment must be received at least 10 days in advance of the showing date.
4. Choose alternates—either alternate showing date, or an alternate title, or both.
5. If you wish to have a videotape transferred to a 3/4-inch videocassette, be sure to include \$10 for each tape, in addition to \$25 per item. Films cannot be transferred to videocassette. All items are loan items.
6. Choose one of the following methods of payment:
  - Check or money order for \$25 per item payable in advance to NCJRS. Each item has its own NCJ number.
  - VISA or MasterCard; give all the numbers on your card, plus its expiration date.
  - NCJRS deposit account. If you wish to inquire about opening an account, which covers not only audiovisual loans but many other cost-recovery services as well, phone or write NCJRS Dept. F.
  - Government purchase orders—Federal, State, county, or municipal. State PO number on the face of your order and enclose the appropriate copy(ies) of the PO.
7. Fill in this information on one of the order forms detachable from this booklet and mail it to us. Or include it in a letter to:

**Audiovisual Program  
National Institute of Justice/NCJRS  
Box 6000—Dept. F  
Rockville, MD 20850**

Additional order forms may be obtained from the same address. You may also telephone the information to (301) 251-5500; ask for the "Audiovisual Program."

8. After your showing, carefully follow the instructions for returning the film or tape to avoid additional charges. These instructions are on the inside front cover of this booklet and are also enclosed in your shipment.
