**DIRECTORY**  
3rd Edition 1984

INTRODUCTION

The National Institute of Justice/NCJRS is pleased to sponsor the Criminal Justice Information Exchange (CJIE) Group. An informal, cooperative association of libraries serving the criminal justice community, the Group aims to foster communication and cooperation among member libraries and to enhance user services.

Member libraries have resolved to strengthen services in the criminal justice area through information exchange and interlibrary loan. In addition, Group members will provide information to criminal justice patrons about their collection, policies, and services.

The National Criminal Justice Reference Service, a CJIE member, serves as the Group coordinator and produced this *Directory*. NCJRS is an international clearinghouse of justice information sponsored by the National Institute of Justice (NIJ), a research arm of the Department of Justice. Supplemental support for NCJRS is provided by the National Institute for Juvenile Justice and Delinquency Prevention, to enhance services to the juvenile justice community.

For more information about participation in the Criminal Justice Information Exchange Group, contact:

How To Use This Directory

The *Criminal Justice Information Exchange Directory* provides quick access to the location, holdings, and services of member libraries. The *Directory* lists CJIE libraries alphabetically by state and province, and alphabetically by city within State, and includes the following information, when applicable: name of library, street and/or mailing address, telephone, and name and title of person to contact. The size of the criminal justice collection (books, periodicals, AV materials) is indicated as well as special interest areas(s). In addition, online, interlibrary loan, and microfiche capabilities, as well as other services, are described, and any restrictions on the use of library facilities or holdings are explained. Additional information is included under "notes."

At the back of the *Directory* is a listing of 49 GPO Regional Depository Libraries, which permanently hold all documents selected for the Depository Program, including many criminal justice documents. As regional depositories, they also provide reference service and interlibrary loan. Some of these are CJIE members and are so indicated with an asterisk(\*).
