### NATIONAL INSTITUTE OF JUSTICE SHARES LATEST ADVANCES IN LAW ENFORCEMENT AND POLICING

WASHINGTON – The Office of Justice Programs’ National Institute of Justice has released the latest edition of the *NIJ Journal*, a publication that presents research-based information that can help inform policy decisions and improve understanding of the criminal justice system. This edition focuses on NIJ’s efforts to advance the policing profession by building the research capacity of law enforcement agencies and supporting technologies like artificial intelligence and body-worn cameras that can improve officer performance and safety.

**TITLE:** *NIJ Journal Issue No. 280*
