

Research Coordinating Council

Develop, sustain, and strengthen a collaborative research and knowledge-building enterprise in DOJ

- Information sharing
- New collaborative activities
- Strengthen knowledge-building and research efforts
- Develop innovative research strategies

RCC Is Now Active

- Ten agencies compose the membership
 - Six OJP program agencies, OAAAG, OVW, COPS, NIC
- Initial meetings are monthly
- Chair rotates among members with NIJ providing organizational support
- Potential to form committees
 - Dissemination, research training, open access

Members Have Been Sharing Hopes

- Increase the quantity and quality of research projects, particularly cross-agency collaborations
- Improve identification of areas in need of scientific inquiry
- Exchange information on the expertise and capabilities of staff
- Engage with research activities outside of OJP
- Avoid redundancy
